After several years of residents’ not attending committee meetings, a few residents started showing up. After about a year of this, and on weighing information from your association counsel, your Board voted to revert to past practice and close them again. We added one new clause: all committee minutes will be posted on the website for residents to review.

Can we do this?
Our bylaws are really not clear on this. Our bylaws were also written in 1975 prior to the Davis Sterling act, which governs homeowners associations. Davis Sterling says that all “Board Meetings” must be open, except items covered in executive session. We contacted the attorney who wrote our bylaws and asked him what his intent was. He stated clearly “it was not his intent to have committee meetings open.” Committee meetings are not Board meetings; there are no decisions being made. They are purely advisory. There is usually one Board member there as a liaison; but sometimes there is none, so no Board business is being conducted.

Just what do our committees do, and who is on them?
Committees are made up of volunteer residents with knowledge in fields related to the committees. Committees are workshops where the members review issues facing the community and make recommendations to your HOA Board. Again, committees do not make decisions for the community; they are purely advisory to the board.

What happened when residents started showing up at committee meetings?
Committee members objected. They found that the few residents who attended were disruptive, although some did act professionally; but basically the committees found their presence to be counterproductive. Remember, these committees talk about issues that can prompt opposing views. They are trying to work out recommendations to the Board for what would be improvements in our community. Many times there are new ideas, new ways of looking at an issue. Some residents who showed up chose to interrupt, some chose to laugh at committee members, some would roll their eyes in disbelief. Some would show up in the middle of the meeting. This is not exactly the green light environment we want for our committee members.

Can residents speak at the committee meetings?
Yes, reverting back to past practice in no way stops a resident from asking to speak at a committee meeting; nothing has changed here. Residents are welcome. They can request to speak to the committee via the chairman and address topics related to that committee.

We currently have nine committees, with possibly more on the way; many of these have subcommittees. That’s about six dozen residents like yourselves who are willing to volunteer their time and expertise so you can have a better community. Your Board has chosen to preserve this system.

Final Comment
We need volunteers for our committees. We welcome individuals with open minds and different Ideas. This is what makes our community strong. To make a contribution, please go the HOA Office and fill out a committee interest form.

Discussion of Shadows Restaurant Plan
Judie Zoerhof, General Manager, discussed the Shadows Restaurant Refreshment Plan in detail. The Plan will come before the Board in May for funding approval.
There is an old adage that communication has not occurred until the desired result is achieved. I preach that adage a lot so I’m back talking about communication.

Last month, I wrote about the Communication and Information Advisory Committees’ efforts to communicate with you. Since communication is a two-way street, there must be a way for you to get information to management and to the Board.

At the Board meeting there are reports from the Board, the Committee Chairs, and staff.

The members and residents have the opportunity to write out questions that they wish discussed. Sometimes, there is not enough time to respond to the question raised.

Your opportunity to get information from you to the management and to the Board is through a new email address: hot-topics@scshca.com.

Items of news to all residents will be posted on the website on Hot Topics. This email comes directly and specifically to me. The questions will be distributed to other staff or committees for answers but the most important aspect of the email address is to give a venue for you to summit questions or comments. This is a tool for your use.

If you send too many messages to me, I won’t be able to get to them all. However, please submit your questions and we will make every effort to obtain the answers for you.

New Assistant General Manager

I am very pleased to announce that we have a new Assistant General Manager, Richard Smetana. Richard brings to us both community and restaurant management experience. Coming to from Sun Lakes Country Club, he worked as Community Manager to three sub-associations and was Assistant General Manager to the Master Association. Richard has a Bachelor of Business Administration, Management and Accounting, Degree from the College of Business, Eastern Michigan University, and an Associate of Arts Degree, Hotel and Restaurant Management, Cum Laude, from Northern Virginia College. Rich is a member of the CMAA Honor Society for the Club Managers Association of America, the National Club Association of America, the California Club Association, and the National and California Restaurant Associations. Richard was General Manager and COO of the Thunderbird Country Club where he was active with dining and club events, the General Manager of The Reserve Country Club in Indian Wells and Assistant General Manager of The Los Angeles Country Club. He has lived in the Coachella Valley for 25 years. Please welcome Rich to our team!

Meet a Board Member

Two of the newly elected Board members, Greg Middlebrook and Joan Dzuro, have held two meetings with residents. The first was at the Santa Rosa Clubhouse in March, and the second was in the Montecito Clubhouse in April. There isn’t enough room in this article to list all of the resident concerns, but we have tried to choose the ones we hear the most often and what is being done with them.

1. Phase 3 residents are concerned about insufficient seating in the pool area and usage of pool by children always in the afternoon.

Response: PCM obtained prices of chaise lounges, and Board approved purchase of 14 new chaise lounges. The Board also addressed the pool usage issue and reduced the present usage by one hour at each pool. (Montecito now 9 am – noon; Santa Rosa now 2 – 5 pm.) During 2014/2015 season, usage will be Santa Rosa 9 am – noon and Montecito 2 – 5 pm. The Board will review the new schedule March 2015.

2. A question was posed concerning the Board’s checking the payroll records against the invoices that we receive from PCM.

Response: Currently a Board member receives the time reports from PCM for that pay period and compares the information against the invoice. Two Board members sign the check verifying the amount with the invoice.

3. What is the process for expenses being paid by PCM?

Response: Other than routine expenses, such as utilities and previously approved items, a Board Action Form is prepared with back-up documents; and the Board reviews the documentation, discusses the expenses, and approves or disapproves their payment. Once approved, PCM processes the payment. Two Board members sign the checks.

4. Residents would like to see the approved minutes from the various committees placed on the website so they understand what is being recommended to the Board.

Response: This was approved by the Board, and the General Manager and her staff are working on getting that on the web under Community Documents – Committees. Hopefully it should be up and running well by the time you read this article.

Greg and Joan will be meeting with residents on the Santa Rosa Clubhouse patio on June 11 from 10 – 11 am. We hope to see you there.
Design Review Committee (DRC)

By Jim Wieborg

Coolers
Many homeowners install evaporative coolers in their garages in the summer. If you have a refrigerator or freezer in your garage, a cooler would make them operate much more efficiently. If you wish to install a cooler, submit an improvement application showing what you are going to do to the Design Review Committee (HOA Office) for approval. The bottom of the cooler must be at least six inches above the ground, and the top of the cooler can’t be more than 60 inches above the ground. The only other requirement is that you have at least one shrub or plant one (five-gallon container) in front of the cooler to screen it from the street.

Homeowners need to trim when their trees or shrubs start getting overgrown. Check to be sure that your tree isn’t invading your neighbor’s yard. Also check that your tree isn’t obscuring a stop or street sign. Trim it if you need to! Always remove broken and dead limbs first, then assess what else needs to be done. Remove suckers from the trunk and branches, and then trim back branches that are getting too long. Remember never to remove more than 20 percent of a tree’s foliage any time of the year. Keeping the trimming to a minimum in the summer is important.

When you irrigate, run your system for 10 minutes three times instead of one time for 30 minutes. This will allow the water to soak into the ground instead of running into the gutter.

From The Library

By Phyllis Cohen & Terrie Turner

Although we appreciate your book donations, we are not accepting any new books beginning in June through the end of September. During that time, our library volunteers will be going through our books to identify those that are infrequently read in order to make room for recently received donations. Given the size of our library, it is impossible to keep every book; so please bear with us as we attempt to make space to accommodate new books for your enjoyment. As always, the discarded books will be donated to Angel View.

Our library is located in the Montecito Clubhouse and is completely supported by volunteer assistance. For your convenience and easier access, we have moved the large-print books to the bottom shelf following the letter “Z” of the hard cover fiction books. We suggest that you only take a few books at a time, especially if they are by the same author. Please return them after you are finished so others have a chance to read them as well.

Fiction and historical/political books are arranged by the first letter of the author’s last name, and biographies-autobiographies are arranged by the first letter of the subject’s last name.

Our day to volunteer is Friday mornings – stop by and say hello. We look forward to your suggestions about any good reads.

We Accept As Donations:

✓ Fiction
✓ Historical/political
✓ Biographies/autobiographies
✓ DVDs
✓ CDs
✓ Puzzles (no missing pieces, please)

We Do Not Accept:

✗ Cookbooks
✗ Sports books
✗ Self-help books
✗ “How-to” books
✗ Religious books
✗ Travel books
✗ VCR tapes
✗ Music CDs

If you are interested in becoming a library volunteer, please contact Barbara Perler at 760-772-4484 or baramp@verizon.net.
People Who Make Our Lives Better

Victor Farias

Employee of the Month
May 2014

We would like to salute Victor Farias, the outstanding employee of the month for May of 2014. He is the glue that holds the food services of SCSH together. During our Food & Beverage Managers’s recent illness, Victor went way beyond his call of duty to not only give excellent service in the dining room, but also take on a management role to ensure that operations ran smoothly! Today we tip our caps to Victor Farias as SCSH Employee of the month!

COMMITTEE REPORTS

Information Advisory Committee

BY ANDY PERLER

The Committee continues to review a variety of ways to communicate better with residents. One of these is the use of an electronic message board in the form of a television screen where important and timely information can be posted. Unlike the old Channel 98 we used to have with our bulk rate Time Warner service, these message boards would not be just a static picture but a series of active pictures that change frequently. Should we select this option, we would place these TVs in high resident traffic areas like both the Montecito and Santa Rosa Clubhouses and the Fitness Center.

We also discussed improving our process for publishing Hot Topics and ways to improve the content plus make it more relevant. In order to do so we are asking for more involvement from SCSH committees, clubs, Board members, staff department heads, and residents.

Since we want communication to be two-way and we want input from residents, the committee recommended and the Board approved a dedicated email address for Hot Topics – hot-topics@scshca.com. Residents will now have a new email address where they can send potential hot topic items.

Considering the universal appeal of email as one of the best ways for quick communication, we continue to investigate the possibility of using email as another means of communication.

In order to take more advantage of our SCSH website, we are working with the Communications Committee about ways to improve the site by better organizing information and making it more user friendly. We are also investigating the possibility of a resident satisfaction survey in late January to February timeframe to make sure our communication is two-way and we have a formal, structured way to hear from our residents.

This collection is a survey of art in California since the 1980s. It includes works done by contemporary artists who either worked in California or were significantly influenced by time spent in California. The works are of a variety of mediums including paintings, paper works, sculptures, ceramics, and photography. This is the first time these artworks have been exhibited together.

Donate 15 Minutes of Your Time

You can make a difference in as little as 15 minutes. Cell phones dumped in the garbage make up about 19,500 tons of waste each year. In addition, improperly disposed cell phones can pollute up to 132,000 liters of water. Donated cell phones are reusable because any working mobile phone can dial a 911 call center. Recycled phones can be used as emergency lines for senior centers, seniors living alone, women’s shelters, and victims of domestic violence.

Exchanging your old cell phone when you upgrade is the easiest way to recycle, but if you have a mobile phone or two in a drawer at home, call 2 Recycle (www.call2recycle.org/how-program-works) to get the location of your nearest cell phone recycling center.

In addition, the National Coalition Against Domestic Violence offers a free mailing label. Visit the following website: www.cellularrecycler.com/ncadv/printLabel.php.

Meditating Cancer

By Marcia Gewelber

After a routine mammogram, my internist said, “I have bad news and good news. The bad news is that you have breast cancer.”

“What’s the good news?”

“You’re very lucky.” I’d never heard the words “lucky and cancer” spoken in the same sentence. He added, “Your cancer is very small and we caught it early.”

Oh, lucky me! I immediately flashed to my mother’s death; she died of breast cancer at the age of 65; I was now 71. Dazed, my husband and I left the office awaiting a referral to a surgical oncologist. Terror, damp fear, and angst gripped me like the fierce hug of a grizzly; any moment now I would be torn apart by eight-inch claws.

I knew ladies in our community who had survived breast cancer, yet I could not contact them. I was afraid of the details. I detached myself from them and isolated myself from the people around me and, like Hester Prynne, I wore the scarlet letter “C.” I spoke about my feelings only with my husband, daughter, and several close friends. Yet a friend of a friend called me, regaling me with a cancer tale of horror. I cut her off; I would hear none of it.

I knew I was psychologically paralyzed but, to move forward, I chose meditation and visualization, a life-affirming means to help me cope. I created a meditation “room” on my little front porch. I visualized myself healthy and cancer free, while repeating the following:

“I am one with the Universe; my life is health, abundance, and love. The path I am on is what it must be; it is a perfect path.”

My oncologist, Dr. Janet Ihde, is warm, understanding, and direct. She explained my cancer required a lumpectomy (the surgical removal of the small tumor and the area of surrounding tissue). However, after learning about my mother’s breast cancer, plus the fact that I am an Ashkenazi Jew (of European heritage), the question of the BRCA gene arose. One out of four Ashkenazi women inherits the gene, which amplifies the chance of breast cancer, and would require a bilateral mastectomy, the removal of both my breasts. It also carried an even deadlier possibility: I might pass the gene on to my daughter and granddaughter. A lethal gift that keeps on giving.

Abysmal feelings of guilt shrouded me, like a plague-infested blanket. When I called my daughter, explaining the situation, both of us cried. I kept repeating, “I’m so sorry,” as though I had already infected her.

Two days later, my insurance denied the BRCA gene test. After hours of life-affirming meditations, I soldiered up and called my insurance company, asking for a Patient Advocate. I had, up to then, never interfered with the insurance carrier’s “last word.” But not now. I would allow no negative interference. When the advocate answered, I forced myself to remain calm; hysterics would not do. As I described my family history, and the need for the test, I mentally repeated my mantra. Immediately, the advocate asked for my oncologist’s fax number. “Don’t worry, Mrs. Gewelber, I have just reversed the decision. I am now faxing over your approval.” Just like that!
This was the first time I felt in control in weeks. Happily, I walked into the Comprehensive Cancer Center the next day and took the test. Leaving the center, I repeated my mantra and saw myself void of the BRCA gene. Yet, as you can imagine, four very anxious days passed while awaiting the outcome. My meditations and visualizations were on overdrive. I did not veer from my life-affirming thoughts. At last, I received the call. I did not carry the gene!

Jubilation! Nothing could faze me now, I was sure of it. I smiled more. I breathed more deeply, with no more shallow fear-filled breaths. I opened like a flower; I was happy to speak to people; not sharing my story so much, but being joyful and positive. My meditations were working.

Surgery day came. I high-fived the doctor just before the operation, telling her about my meditations. She smiled, telling me about her own sister. She had breast cancer 15 years before and also turned to spirituality. I explained my belief: when you close your mind and embrace strife, strife will invariably come. But when you open yourself to life, it allows for universal miracles. Dr. Ihde said she did not believe in it; after all, she was a scientist. However, she admitted that her sister’s recovery went smoother, occurred faster, and healed perfectly; therefore, she understood the rationale. “Who knows?” she said. “Positive thinking cannot hurt.”

The surgery is behind me now. Medical protocol requires that I receive radiation treatments plus an anti-estrogen drug, with some nasty side effects. But, I will be blissful throughout the process. At my final visit to the oncologist, she walked into the examination room and announced, “You are now cancer free.” Wow!

As I write this, I have added a new ending to my mantra: Thank you for making me realize the strength of my true self:

The BNP Paribas Open, the Fifth Grand Slam Event?

Very quietly and stealthily over 38 years the BNP Paribas Open, currently played at the beautiful and recently renovated 80+ acre Indian Wells Tennis Garden (IWTG), has become the fifth most attended tennis tournament in the world and is considered by many tennis aficionados the Fifth Grand Slam of tennis.

A few nights before the start of the tournament, the IWTG introduced the new stadium with a free night of tennis competition between John McEnroe vs. Jim Courier, followed by McEnroe/Peter Fleming vs. Jim Courier/Rick Leach in doubles. It was vintage Johnny Mac with his violent temper tantrums (“...are you serious?”), questioning every close line call and the ceremonious throwing of his racquet. But it was all in jest and everyone in attendance was totally entertained by the brash and brazen International Tennis Hall of Famer.

How many people attend major tennis events?

This year nearly 432,000 fans attended the BNP Paribas Open at the IWTG (versus 382,000 last year). In comparison, the US Open drew a record 713,000 fans, the Australian Open had about 684,000 fans, Wimbledon was attended by over 485,000 fans, and the French Open had 443,000 fans in attendance. Guess who will be #3 in attendance in a few short years?

What does it take to run this tournament?

Well, let’s start with 1,600 volunteers (including 425 ball kids). To help organize this mass of humanity, there are 20 different volunteer committees. At the Volunteers Thank You Dinner held in the Hyatt Convention Center (which seats over 2,800 and was packed full), there were special pins given to a select group of 15 year volunteer veterans.
My experience at the BNP Paribas Open

Because my wife is a volunteer, I get her Guest Pass which allows General Admission status on any day and at any time. After parking in one of numerous parking lots with a plethora of helpful parking attendants, a friendly and talkative shuttle driver was waiting to deliver a group of us to the entry gate. Upon scanning my Guest Pass and receiving a welcoming smile, I started my adventure by just walking around and visiting the many shops, vendors, boutiques and eateries. Everywhere I went people were relaxed, smiling and happy. I found that I could even demo tennis racquets from a huge inventory, receive a soothing massage, or get embarrassed in a fastest serve contest.

The matches start every day at 11:00 AM with the gates opening at 10:00 AM and can continue far into the night to midnight at times. The featured night matches start at 7:00 PM, with the gates opening at 4:30 PM. I entered the 16,100 seat Stadium 1 to watch a match and was amazed at the colossal size. Unfortunately my assigned seating section was at the top of the stadium, but fortunately the sightlines were absolutely terrific. After baking in the late mid-day desert heat for over an hour, I decided to get something to eat and drink. This was a huge task as the variety of food choices were overwhelming; I finally settled on a cheeseburger, chips and a diet soda. Finding an empty table under one of the new enormous “tent covers” I watched the rest of the Stadium 1 match on one of four very large monitors. Finding an empty table under one of the new enormous “tent covers” I watched the rest of the Stadium 1 match on one of four very large monitors. A couple from Chicago joined me and we agreed that the atmosphere of this big-time tournament was so tranquil and comfortable along with the charming March desert weather.

As lunch concluded I heard a huge roar of applause emanating from the new Stadium 2 so I quickly joined that raucous crowd and happily cheered for one of the outstanding Canadian players. Towards the end of that match I went into one of the new restaurants and saw the eating area overlooking the court. What a delight to have a quality dinner and a perfect view of a top notch tennis match at the same time. I went on to watch a few ongoing doubles matches in Stadiums 3 and 4 before ending up at the practice courts, which is a must do for anyone attending the tournament. A message tower kiosk displays who is practicing on what court and at what time stands for all to grasp who is playing where. Perfect, yet so simple and practical. In just over an hour I got to see up close and personal professionals Li Na, Sloane Stephens, Jelena Jankovic, and my favorites of all time, the Bryan twins, Mike and Bob, who would end up winning their 95th doubles title a few days later.

In summary, my day at the BNP Paribas Open was exciting, interesting, joyful, very casual, relaxed and laid back (California style), exhilarating, and overall a pleasant experience that I will do in future years as well. Oh, and I didn’t have to wait in any lines to use the rest rooms. Now that, my fellow tennis fans, epitomizes what living in the desert is all about. Thank you, Mr. Ellison, for this fabulous venue.

“If you are a fan of the sport of tennis or just sport, it is difficult not to be seduced by Charlie Pasarell’s dream in the desert. If this is not tennis Camelot, you can see it from here.”

In 1963 I was teaching biology at Granada Hills High School north of Los Angeles. After school one afternoon, I was in my classroom preparing for the next day when a woman walked in. I wondered why she had come.

“Are you Mrs. Klehmet? At dinner my son described your classroom. His father said he was exaggerating. We ended up in a heated discussion, so I just had to see the room for myself.”

“Yes, I’m Mrs. Klehmet. Who is your son? Does the room look the way he described?”

“I’m Mrs. Scott, and my son is Eddy. Like most seniors, he has ‘Senioritis’ and is bored with school. He loves math, but we were really surprised when he signed up for biology. Your classroom is even more interesting than I expected! I can’t believe I’m seeing an old-fashioned claw-foot tub painted pink with purple polka dots occupied by an alligator.”

Actually that’s a caiman. Careful, he isn’t very friendly,” I said, as a hiss came from the creature climbing up on the rock in the tub.

“I wouldn’t have believed this if I hadn’t seen it myself,” my visitor said. Then she asked what was in the glass bookcase at the back of the room.

“That’s a tegu lizard,” I replied. “He’s in charge of class control. He’s not quite two feet long and friendly most of the time, but he can get irritable.” I explained that I used him when students got hyper on game days.

This was especially true of those who finally got to start for the first time. They tended to get so excited that they couldn’t stay in their seats or keep from talking. That was so disruptive that I wasn’t able to cover the material and finish the required class work.

Rather than send the students to the principal’s office or to counseling, I found it better to make them take the lizard for a walk. With the disturbance gone, I was able to continue to teach. Otherwise, the restless student might not be allowed to start or could even lose the opportunity to play in the game.

I required the students to walk on the grass outside the classroom in full view so that I could watch them at all times. “They know the rule is to stay in view,” I told Mrs. Scott. “The lizard gets exercise, the student gets to start in the game, and I get to continue teaching. It works quite well. So if you hear Eddy mention Lizzy, you now know who it is.”

“What if one of them is afraid of the lizard?” she asked.

“Then they have the option of going to the counseling office or taking a paper cup and collecting sow bugs from the lawn. It accomplishes the same thing. So far, I’ve never sent anyone to the office. And the sight of a strapping, 6 foot 4 inch, 200-pound teenager walking a lizard on a leash is something to behold.” Of course, the misbehaving students did get teased a bit by the others. But everyone understood why I did it, and it didn’t seem to provoke any animosity. Actually, it became quite a joke: they called it a “time out.”

Still curious, Mrs. Scott asked, “What are these fuzzy brown animals? They’re too cute to be rats.”

They were gerbils. A student from last year had moved back east and couldn’t take the pets with her, so she asked if I’d take care of them for the summer. Summer passed

Still curious, Mrs. Scott asked, “What are these fuzzy brown animals? They’re too cute to be rats.”

They were gerbils. A student from last year had moved back east and couldn’t take the pets with her, so she asked if I’d take care of them for the summer. Summer passed
and she never sent for the gerbils, so in my classroom they stayed. I didn’t know they weren’t the same sex, though. That proved to be embarrassing on more than one occasion. Once a girl student raised her hand and asked me, “Mrs. K, are those gerbils fighting or what?” Not sure how to answer her, I said, “Or Whatting!”

Next, Mrs. Scott walked past the fish tanks. One held a beautiful corn snake.

“That’s Corny, a favorite with the boys,” I said. “He has never bitten anyone but, if students aren’t careful about putting the screen lid back, well, he’s a wily one, a real escape artist. My husband and I have spent many evenings luring Corny into a net. It sometimes takes a few days before we finally get him. I have to warn the custodians when he’s missing. Funny, they tend to be more skittish than students.”

Although Corny never left my classroom, he did appear in some pretty strange places. Once he was missing for several days. On lab day students were cleaning up, washing their test tubes and hands in the back sink. Suddenly, one of the girls let out a loud scream. The paper towel dispenser had stopped providing paper towels. When we opened it, there was Corny, curled contentedly on top. One of the boys calmly put him back in the tank.

Mrs. Scott thanked me for the tour and told me it was the most unusual school visit she ever experienced. As she left she asked, “What does the principal think of your room?”

My principal was Norm Mathers, who played the father on the TV show Leave it to Beaver. He was the best principal I ever worked with, patient, but he knew everything that went on in that school. I’m sure over the years Mr. Mathers gave many an explanation about my classroom. He shook his head at me a lot, but he seldom got very upset. I guess he finally got used to my menagerie.

Photo Contest Winners – 2014

BY AGGIE JORDAN

The third annual photo contest sponsored by the View attracted 30 entries. The contest was judged by Hanah Novak of the Coachella Valley Desert Camera Club. She chose this first photo because of the excellent photography but, most important, it told the story of the joyful spirit exhibited by the residents in their club activities.

Graham Jones captured both first and second prizes with his two photos. The winning photo was shot on El Paseo when the Camera Club went there for a photo shoot. Jones, who saw the women together as they prepared for lunch, tells us, “It was a spontaneous shot with no tripod and no organizing of the group arrangement. This unexpected encounter created great mirth, and everyone was happy to pose for me. To me this photo captures a colorful group of very happy people enjoying their day out. The cameras tell the story of what was going on. Often we talk of the SCSH ‘Lifestyle.’ This photo captures the essence of what this means in a truly spontaneous moment.”

Jones won the second prize for the photo of winter tranquility on the golf course here at Sun City Shadow Hills. He tells us, “The second photo was taken during a recent so called ‘mini-shoot.’ On this occasion we were concentrating on the Montecito Clubhouse, both inside and outside. The scene captures the tranquility of a typical winter day at SCSH. The wispy clouds and the brilliant green of the grass interact beautifully. Framing the golfer against the fountain completed what I find to be a very pleasing composition that portrays the wonderful environment that we all live in.”

Gary Paul won third prize for his landscape photo of the golf course, a view from the Montecito Clubhouse. During his international career Gary spent quite a bit of...
time in Tokyo, Japan, the home of a strong film industry. He tells us, “Photography was the means to share our experiences and to keep in touch with family and friends in an era before computers and iPhones! Not surprisingly, given it is the home for Nikon, Canon, Olympus, Sony, Fuji, et al., photography in Japan became a more serious hobby.”

Paul further elaborates, “It was a beautiful clear morning so I decided to walk around the Montecito Clubhouse grounds looking for interesting shots, particularly of the ducks and waterfowl that frequent the nearby ponds. Walking behind the pool, looking in the direction of the clubhouse, I remember thinking how beautiful and clear it was that morning with the amazing color contrasts created by the blue sky, gray/brown mountains, green golf course, and the red bougainvillea in the foreground.”

Dianne Anderson, a Pickleball player and View photographer, shot this image of her friends, Linda Currie and Annie Blackburn, when they were just having fun after a game of Pickleball. She took several shots of them jumping high enough to get this effect. Using Lightroom 5 for some enhancement, she captured Honorable Mention.

Derek Reyna won Honorable Mention for his photo, “Nature vs. Man,” a view of the palo verde flowers and bougainvillea as they created, with the help of the wind, their own artistic design along the curb on Sun City Boulevard. About this winning photo, Derek says, “While out for a late afternoon golf cart drive, although I initially passed the scene, I was drawn back to the bright colors of the palo verde and bougainvillea petals, arranged so perfectly, in contrast to the drab grey of the gutter. It’s an example of the random beauty of nature, found all around us. For the ‘purist’ out there, you may be disappointed to know that the photo was taken with my iPhone 4. I took approximately four photos of the setting and did not require any enhancement.”

The new techno holiday travels…SID AND DONNA WEISS enjoyed their family for Passover. When everyone gathered around the table for the meal, there was one empty place setting. Well, not exactly empty—there was a laptop. Throughout a three-hour feast, they were joined in lively conversation by their granddaughter in college via Skype from Massachusetts. She even recited her part of the solemn rituals as the rest of the family did theirs. “It was quite an awesome experience,” said Sid.

Is it more awesome if you’ve been dreaming about a place for a long time and finally go there? Or is it better to suddenly come upon something thrilling that you never knew about?

As one of the top 10 destinations in the world, over 10 million people visit annually. There are three gigantic waterfalls on the Niagara River, which is the northern border between the U.S. and Canada. American Falls and Horseshoe Falls are best seen from the Canadian side, 81 miles from Ontario, a city more vibrant than Niagara Falls (and part of greater Buffalo) – “It took my breath away. I stood there stunned…that moment when you first look out…so impressive! Also, the view at night is spectacular!” She added, “The Niagara Expressway as it enters Canada via the Lewiston-Queenston Bridge is the most beautiful freeway I’ve ever seen.”

On a Mediterranean cruise a few years ago, ROSIE TAYLOR was taken away with Barcelona, one of the world’s great cultural cities. “We only had one day to tour the most popular tourist sights, museums, and ancient ruins. What a beautiful city! I want to go back and explore the art and architecture.”

It was a surprise discovery for NETTIE AND WILLIE WASHINGTON when they visited the western – most island in Hawaii – Kauai. “We were told not to miss the “Grand Canyon of the Pacific” – you said it – awesome – 3,000 feet deep and 10 miles long, from a geologic massive fault and collapse of a volcano.” Nettie added, “I really loved St. Thomas in the U.S. Virgin Islands with its white sand and perfectly clear water that sparkles like diamonds!”

LINDA AND PAUL PRIEBE loved Cappadocia. Now part of Turkey with a region of exceptional natural wonders — “especially the rock formations called Fairy Chimneys,” Linda said. And who wouldn’t be awestruck by Tibet with its breathtaking views from the “roof
of the world”? She was taken away with the friendliness of the people. “They wanted to shake hands, and their hands were ice-cold!”

You don’t have to be a volcanist to be fascinated by this book. Written by William Klingaman, Ph.D. in history and author of six previous books, and Nicholas Klingaman, Ph.D. in meteorology and university research scientist, the authors examine the climate change engendered by the eruption of Mt. Tambora in Indonesia in 1815. More was known later about Krakatoa in 1883 because of the invention of telegraph and scientific exploration; but Tambora was least known and most deadly. The explosion was heard 1,200 miles away in Sumatra and blocked out the sun for the summer of 1816. Tons of rock, ash, and toxic gases were pumped into the atmosphere. Ocean winds carried fine particles around the globe creating optical phenomena: sunsets of orange and red and purple and pink, excessive rain, frost, and snowfall. Crops failed creating food shortages, famine, riots, typhus, and mass migrations. Twelve thousand died from the direct hit, others from starvation and disease, for a total of 71,000. Fanatics preached that the sun was dying, and it was the end of the world, creating religious revivals. Imagine being a sea captain with no land in sight surrounded by a thick floating iceberg of pumice 300 miles wide.

Uncovering a wealth of source material, the authors describe the effect on politics, the economy, the arts, and social structure. From Napoleon’s march into Paris, to President Madison in the White House, poet Lord Byron, writer Mary Wollstonecraft, painter J.M.W. Turner, and other first-hand accounts, it is a compelling narrative and page turner from the Klingamans’ unique understanding of history and meteorology.

Read The Year Without Summer for historical and scientific information—or sheer drama—and be reminded of our vulnerability to natural disasters, not just extreme weather but of extreme climate change.

Computer Q & A

BY THE SCSH COMPUTER CLUB

Q (Apple): How do I turn off Banners, Alerts, and Phone Calls when using my iOS devices to present or play music at an event? (Susan Kerekes)

A: Simple, from the Desktop of your iOS 7 device, swipe up for the new Control Center. In the middle you will see a crescent moon – “Do Not Disturb.” Tap it once and it should light up. Just remember to turn it off when you’re done so you receive all your notifications.

Another way is to go to your Settings/Do Not Disturb.

Q (PC): How does Microsoft’s stopping XP support affect me? (Gary Paff)

A: On April 8, Microsoft stopped supporting the XP operating system (OS) with security patches. The computer will still function but could possibly be compromised if a new flaw in the system is discovered. XP cannot be directly upgraded to Windows 7 or 8, but you can replace the OS if the system meets minimum requirements.

Replacing the OS means starting from scratch. You will have to buy a Windows 8.1 DVD (about $120) and perform a clean installation. That means losing all your settings as well as having to make a backup of all files and programs you want to keep. And keep in mind that some old software may not be compatible with the new OS.

Additionally, by the time you purchase the software, add required memory, and possibly a new hard drive, it may be more practical to purchase a new computer.

If you do choose to continue using your old XP system, understand the risk, make sure you have and keep updating your anti-virus and anti-malware software as well as your firewall.

Q (PC): I don’t like Windows 8. Do I have other options? (Gary Paff)

A: First, if you’re keeping your current computer and you like Windows 7, you can continue using Windows 7 as it is still supported.

If you buy a new PC, it will come with a Windows 8 or 8.1 operating system (OS). If you’ve been using Windows 7 and like it, you have some choices.

There was a backlash from users because Windows 8 added some new features while removing some from Windows 7. In response, Microsoft released the 8.1 version which reinstated some features. The new release allows you to boot up the computer to look like Windows 7. The system is still running in Windows 8.1 mode but looks and acts similar to Windows 7, and you can toggle back and forth between the two.

If you need a new computer, you can still get one with the Windows 7 OS. Amazon, Walmart, Best Buy, and other online sites are offering them. Go to Google and type in “Windows 7 PCs and Laptops” and you’ll get a listing of sites selling them.
We have a summer full of wonderful excursions and events to keep you cool, busy, and well entertained! Here’s what we have scheduled so far, but make sure and check the website www.seshca.com and flyer racks for new and exciting offerings.

The Queen Mary tour on June 17 is our first trip to start the summer travels early. Join your friends and neighbors as you are transported back in time aboard the legendary one-of-a-kind steamship while exploring and learning more about the historical landmark. Then on July 15 we are off to the Santa Monica pier for a fun and refreshing day at the beach enjoying the cool ocean breeze and SoCal sunshine. If you prefer the sports side of things, we have a great trip planned to Angel’s Stadium to watch an exciting game against the Dodgers on August 7 and Del Mar horseracing on August 21, where the weather and views are spectacular.

Avoid the summer heat! Come inside and enjoy the year’s most talked-about films on the big screen at your Montecito Clubhouse. The format for our annual summertime Film Festival event coming up on July 19 and 20 was changed so residents were able to vote for the eight films that will be shown. We had such a terrific response with the nominations, so the same format will be used to select the films for our new Classic Film Festival scheduled for August 16 and 17. Make sure to stop by the Montecito Clubhouse during the month of June to nominate your favorite classic films.

I hope to see everyone at our All American 4th of July Celebration, which will be held indoors at the Montecito Clubhouse this year. So make sure to sign up and join us for an afternoon of entertainment, food, and festivities.

Opera Club presents
Benjamin Britten’s
Peter Grimes
Tuesday June 10th at 5:30 pm

Peter Grimes is an opera in three acts by Benjamin Britten. It has a libretto adapted by Montagu Slater from the Peter Grimes section of George Crabbe’s poem The Borough. The “borough” of the opera is a fictional village, which shares some similarities with Crabbe’s, and Britten’s own home of Aldeburgh a town on England’s east coast.

Peter Grimes was the first of Britten’s operas to be a critical and popular success. It is still widely performed, both in the UK and internationally, and is considered part of the standard repertoire.

A recent storm at sea has caused the death of the young apprentice of a fisherman named Peter Grimes. In the town hall, Grimes is questioned about the death by the lawyer, Mr. Swallow. The villagers in attendance believe Grimes should be held accountable for the death and call for his punishment. After Grimes gives his testimony, the coroner confirms the death was an accident. After Grimes is cleared of all charges, he is advised not to hire another apprentice. Once the hall is empty, Grimes is left alone angrily pacing the room, believing the town has denied him a second chance.

SCSH Makes List of 20 Most Luxurious Communities

It’s nice to be recognized. And that’s exactly what’s happened to both Del Webb as a builder and Sun City Shadow Hills as a community.

The website 55places.com recently released its 2014 list of America’s Top 20 Most Luxurious Active Adult Communities. The result? Fully half the communities – 10 of them – are Del Webb communities, and Sun City Shadow Hills is prominent on the list.

55places.com is a leading resource for information about active adult communities in the United States. The website offers unbiased information and reviews of active adult communities nationwide. The site provides a wealth of information including photos, videos, descriptions, floor plans, listings of homes for sale, and reviews about nearly every 55-plus and active adult community in the country.

To determine the list, 55places.com toured more than 500 active adult communities and assessed features such as clubhouse facilities, community services, activities, and home designs.

“The employees of Del Webb and the residents of its communities should be proud that their neighborhoods are so highly regarded among the many choices available in active adult developments,” said 55places.com vice president Danny Goodman.

The Del Webb communities on the list include ones that are currently selling new homes as well as those that are built-out. The currently-selling communities – in addition to Sun City Shadow Hills – include Sun City Festival near Phoenix, Del Webb Naples and Del Webb Ponte Vedra in Florida, and Sun City Peachtree in Georgia.

Those already completed include Sun City Anthem near Las Vegas, Sun City Lincoln Hills in Northern California, Sun City Grand near Phoenix, Sun City Hilton Head in South Carolina, and Anthem Ranch in Colorado.

55places.com went on to say, “There’s a unique spirit that you experience in a Del Webb community that makes life more enriching. Each community has a distinct appeal for pre-retirees and retirees alike – from resort-style amenities to locations near city centers and employment corridors for still-working Boomers.”

To see the article, go online and visit www.55places.com/blog/americas-20-most-luxurious-active-adult-communities-2014.

Enjoy!

Now that the warmer weather is here, it is a great time to take your exercise indoors. There is plenty for you to do with exercise classes running all summer and two fully functional Fitness Centers at your disposal. If you signed up for this summer’s Beat the Heat program, remember it starts on Monday, June 9; so make sure to record your daily activities with the front desk at the Montecito Fitness Center. In addition, if you have not yet set up a time for your baseline measurements, please do so (on June 9). Each week a schedule of classes will be posted on the board as well as a list of your points, so make sure to check it out.

For those of you still around this summer, we have two exciting MLB games that you won’t want to miss. The first one is the Dodgers vs. the Angels at Anaheim Stadium and will take place on Thursday, August 7, 2014. This is always a riveting game between two cross-town rivals. The second game is the San Diego Padres vs. the Philadelphia Phillies in San Diego. This game will take place on Thursday, September 18, 2014, and guarantees to be a wonderful day at the ball park.

The fun doesn’t stop there. We are gearing up for our second trip the Rose Bowl in Pasadena. This year we will be watching the UCLA Bruins take on the Oregon Ducks on Saturday, October 11, 2014, which looks to be a much anticipated match-up. If you are interested in going to this game, we have an interest list forming so that we can see how many tickets we need to get. If this game spikes your interest, make sure you come down to the Montecito Fitness Center or give us a call at 760-772-0430 to put your name on the list.

With June being National Safety Month, I would like to leave you with a few tips for avoiding injury while you exercise.

1. Take 5-10 minutes to warm up and cool down properly.
2. Plan to start slowly and boost your activity level gradually unless you are already exercising frequently and vigorously.
3. Be aware that training too hard or too often can cause overuse injuries like stress fractures, stiff or sore joints and muscles, and inflamed tendons and ligaments. A mix of different kinds of activities and sufficient rest is safer than doing the same exercise day in and day out.
4. Listen to your body. Hold off on exercise when you’re sick or feeling very fatigued. Cut back if you cannot finish an exercise session, feel faint after exercise or fatigued during the day, or suffer persistent aches and pains in joints after exercising.
5. If you stop exercising for a while, drop back to a lower level of exercise initially. If you’re doing strength training, for example, lift lighter weights or do fewer reps or sets.
6. For most people, simply drinking plenty of water is sufficient. But if you’re working out especially hard or training for a marathon or triathlon, choose drinks that replace fluids plus essential electrolytes.
7. Choose clothes and shoes designed for your type of exercise. Replace shoes every six months as cushioning wears out.
8. For strength training, good form is essential. Initially use no weight, or very light weights, when learning the exercises. Never sacrifice good form by hurrying to finish reps or sets, or struggling to lift heavier weights.
9. Exercising vigorously in hot, humid conditions can lead to serious overheating and dehydration. Slow your pace when the temperature rises above 80°F. On days when the thermometer is expected to reach 100+°F, exercise during cooler morning or evening hours or in one of your outstanding Fitness Centers. Watch for signs of overheating, such as headache, dizziness, nausea, faintness, cramps, or palpitations.

Golf Course Overseeding Schedule

The SCSH Board of Directors has approved selective overseeding on the South Course. This is overseeding fairways, tees, and greens only; the rough will be left dormant. The determining factors for the selective overseeding were:

• Water conservation
  • The State of California is experiencing a drought, and golf courses have been asked for a 10% reduction of water consumption.
• Costs savings are estimated to be $185,000 due to reduced consumption of water, seed, fertilizers, and manpower.

The definition of “rough” is all the grass that isn’t closely mowed such as fairways, tees, and greens. By not overseeding the roughs, they will go dormant, and golden brown and will be treated properly so that they stay as evenly brown as possible. This practice has been recommended for Shadow Hills by the USGA Green Section, an independent third-party Golf Course Turf Advisory service.

The USGA, through Agronomist Brian Whitlark, has endorsed selective overseeding. Below, Mr. Whitlark outlines the benefits of this decision:

“Through experience with golf courses who have switched to non-overseeded roughs, it is estimated that a course can expect to save 1.5 to 1.8 acre-feet of water per acre per year. When overseeded, roughs are watered extensively to germinate and mature the ryegrass seed, water must be applied through the remainder of the fall, winter and spring months, then a significant amount of water must be applied to encourage the Bermuda grass to recover in the overseeded areas. When non-overseeded, irrigation in the roughs can be reduced significantly from November through March, only supplying enough water to avoid dust and turf demise. It is great to hear that the club governance at Shadow Hills is taking a proactive approach to water conservation and full support is offered to omit overseeding from the rough areas.”

Overseeding Dates

• North Course: close 9/21/14, re-open 10/13/14
• South Course: close 10/13/14, re-open 11/3/14

Aerification Plans

We plan to aerify according to the following schedule:

• North Course: June 2 and 3
• South Course: June 9 and 10

Billiards Club

On the evening of Wednesday, April 30 we held a scotch doubles eight ball tournament with 24 players in competition. We played a race to three wins with a consolation flight for those who lost their first match. This is the first time we ever had a tie for first place. The tie was between the teams of Rusty Wright and Ben Weissbach, Roy Wood, and Jim Hadden. Third place was won by Bettylou Robinson and Jim Hadden. The consolation flight was won by Pat Carson and Bryan Murray. I would like to thank Ken Fails for running our tournament this month.

Our club continues to meet every Wednesday at 7 pm in the Billiards Room for open play. Tournaments are held the last Wednesday of the month at a cost of $3 per player each tournament. You must be a club member to play in the monthly tournaments.

Women and men of all levels of experience are welcome and encouraged to join. It’s a great way to make new friends and meet your neighbors! Come to the Montecito Billiards Room on Wednesday nights for open play. Free lessons are available at 10 am every Monday in the Billiards Room by Bryan Murray (760-342-9028). For any further information please call Don Salvatore (760-775-8394). See you on Wednesday at the Billiards Room.

Bowlers Club

Congratulations! SCSH Bowlers are now an official club. Our league will be forming at Fantasy Springs Bowling Lanes this fall. Most importantly, we need you! We are in the process of getting our charter together and at that time we will call our first meeting, elect officers, and approve the bylaws. There are many questions yet to be answered such as what day and time we will be bowling, how the league will be set up, etc. Those questions will be answered and you will all meet Joe Vacua (the manager of Fantasy Springs Bowl). The league will tentatively start in October to allow for our “snowbirds” the opportunity to join us. For those looney birds (year-rounders) we will have practice bowling through the summer so everyone can meet and get up to speed. We will be notifying those who have already given us their names on the “interested” list. However, you can look for information on our first meeting via the View. We need you. This is going to be a fun league, no pressure, everyone welcome from the beginner to the experienced. Please contact Rose Borses if you have any questions: 760 636 4788 or desertrose19@dc.rr.com.

Bocce Buddies

The Bocce Buddies club welcomes all newcomers who want to learn (or already know) the game of Bocce. We will teach you the simple rules of play. Come learn and enjoy playing Bocce!

Our games are played at the Santa Rosa Clubhouse Bocce courts. Hours in effect beginning in October:
- Tuesday evenings, 7 pm.
- Friday mornings, 8:30 am.

Arrive about 10 minutes before play and meet our members, then join in the fun.

Bridge Club

The SCSH Bridge Club meets for duplicate bridge in the ballroom at the clubhouse on Tuesdays. Sign up is from just before noon until 12:20 pm with play beginning at 12:30 pm sharp. This is an ACBL sanctioned game where members can earn Master Points. The card fee is $3 for residents and $5 for non-residents, who are limited to playing one time per month (except during the summer).

We also meet Thursday evenings at 6:15 pm in the Capistrano room for social duplicate with
mentoring. This session is free, no Master Points and newcomers are welcome. This game is to encourage everyone to become better, with advanced players available if you have questions during play.

If you are looking for a bridge partner or want other information about our club, check out our website at www.shbridgeclub.com, or call Al Mirsky at 760-238-4235.

We look forward to seeing you at the bridge table!

**Bunco**

We meet the last Wednesday night of each month at 6:45 pm at the Montecito Clubhouse. We hope you will join us and have a couple of fun filled hours at the Bunco tables.

I would like to say welcome to a new Bunco player Marci. We miss Mary Kimball and hope to see her soon. We also missed seeing Lilian.

Any questions please call the “Bunco Queen” Marcia at 760-347-1534. See you at the tables!

**Camera Club**

Even though our regular meetings are suspended for the summer, year-round resident club members are still getting together on a casual basis to improve their skills by attending photo shoots and submitting photos to the website. Members will be contacted via email.

On April 24 several club members traveled to the Joshua Tree National Park to capture night sky photos. The altitude and lack of “light pollution” provides an astonishing panorama of the night sky. Star trails and views of the constellations, that include ghostly images of rock formations and Joshua Trees, produced a crop of wonderful photos which can be viewed on the Camera Club web site. Our website can be accessed through our resident website at www.scscha.com. Choose “Clubs and Groups” and then “Club Websites”.

Our club provides an opportunity to improve your photographic skill and knowledge, a venue to challenge those skills, and a forum to share what you have learned with others who have a passion for photography. Membership expertise ranges from beginner (those who understand the basics of how to use their camera and want to learn more) to expert.

We will be meeting on the second Wednesdays of the month. The first meeting of the 2014/2015 year will be on October 8th in the Santa Rosa Clubhouse. For more information you may contact our president, Jeff Fier, at 408-410-5616, or the Secretary, Anna Kelly at annaakelly@me.com.

**Canasta Club**

If you are wondering what to do as the weather warms up, just think of the fun you can have at the Canasta Club. We meet every Friday at 1:15 pm in the Mirada Room at the Montecito Club House.

For more information call Liz Boyd 760-895-4367.

**Ceramics Club**

On April 22, the club held its annual spring luncheon, this year at Pueblo Viejo Restaurant in Palm Desert. I am told it was enjoyed by those who were there.

We look forward to new and interesting ideas in the club beginning July 1 under the leadership of our incoming President, Wes Warner. We must thank Paula Nadel for her hard work and efforts in the Ceramics Club these past several years.

The “snowbirds have flown the coup” by this time, and we will miss many of our friends in ceramics until they return in the fall. But we will persevere through the dog
days of summer with our twice weekly classes. Those of us remaining will be learning new techniques and some exciting surprises over the next several months.

Have you been busy out on the golf course during the year but want to come in from the heat, or are you that person who would like to pursue some type of creative endeavor but haven’t as yet jumped in? Then please stop by and see all the fun we are having. We meet Tuesday and Friday mornings in the Montecito Clubhouse.

You don’t have to be an artist to create some wonderful pieces to proudly display in your home or give as gifts. We are a very welcoming club and would love to have you join us!

**Classy Niners**

As many of our members leave the desert we wish them a fun-filled golfing summer and look forward to seeing them in the Fall at the start of our season.

The new board is busy planning our coming year. They are planning a coffee, events, and some surprises for us too. We would like to thank the retiring board for all the work they did for our club. They were President, Linda Doom; Vice-president, Diane Ershig; Secretary, Janet Peper; Treasurer, Cory Stevens; and member-at-large, Glenetta Shaw. Linda started and planned our annual golf getaways and Cory created and maintained our web site, shclassy9ers.com. Thank you.

During the summer we will be playing on Tuesday mornings. Please check with the pro shop for tee times. We like to start early while it is still cooler.

We are a fun loving group of ladies who enjoy the game of golf. Please join us for a round of nine holes and then decide if you would like to join our group. Sign up at the pro shop on the signup sheet on the bulletin board, on our email csch9ers@yahoo.com or on our web site shclassy9ers.com by Sunday noon before play on Tuesday.

**Community Singers**

The Community Singers has completed our 2013/2014 season. We will be dark for the summer. Please watch the View over the summer for information about next season’s schedule. We hope you will consider joining us when we return in September. We have opportunities for all levels of singers, from shower singers to those who have sung in more formal choral settings. We welcome everyone who would just like to get together with others for the pure joy of singing. Contact President, Ken Hailpern at hailpern@verizon.net or at 760 342-1497 if you would like to have more information about Community Singers or our upcoming season. Stay cool and happy singing!

**Computer Club**

We had a strong season this year with over 370 members. We thank you all for your interest and participation in the club. Another big thank you to all of our instructors and volunteers. They put in many hours prepping, teaching, and mentoring – and we’re lucky to have them! If you’d like to join our team of volunteers, we’d love to have you!

Our new year starts on July 1. Club dues are $10. Please drop a check in our mailbox at the Montecito Clubhouse or bring it to an upcoming class. The Computer Club will go “twilight” from July – September. Every other week during the summer, we’ll be offering classes and Open Workshops. Keep your skills up and join us in the Monterey Room, Santa Rosa Clubhouse. Please visit our new website: www.scshcomputerclub.com to view our schedule, access handouts, or read the latest updates on computer-related issues. If you’re interested in attending a class or have any questions, please send an email to our club president, Traci at tracibarnett@verizon.net.

All Computer Club members are welcome to attend our Open Workshops, no sign-ups required. This is not a formal class. Come in with

Continued on page 42…
questions, get some one-on-one assistance, and leave knowing a little bit more than when you walked in!

**Creative Arts Club**

The weather is warming up. Cool off and join other talented artists on Mondays and/or Thursdays from 9 am – noon in the Cambria/Mirada rooms at the Montecito Clubhouse. We are a fun group of artists who love to draw and paint. We also enjoy luncheons, birthday celebrations, and visits to inspiring places. Bring your medium of choice and lots of imagination. There are always artists in attendance that will be happy to help with any questions.

When you see our Wall of Art for June 2014 in the Montecito Clubhouse, you will enjoy members’ stylized versions of “Famous Artists.” Can you tell the difference? Fred Ashley, “Artist of the Month,” is displaying his amazing African animal watercolors in the Sales Office.

**Desert Life**

Ladies put on your favorite beach attire (please no teenie weenie bikinis) because Desert Life is going “Cheeseburger in Paradise!”

Our last luncheon for the season promises to be lots of fun! We will be celebrating our club’s birthday and installing our new board. Plus! We will be entertained by one of our own club members, the fabulous Connie Brennan. Connie has traveled the world with her husband and has hilarious stories and anecdotes to share. “What? There’s no T J Maxx in Dubai?"

This month’s luncheon is Tuesday June 17, at the beautiful MiraMonte Resort and Spa located at 45000 Indian Wells in Indian Wells. The doors open at 11 am and lunch will be served at noon. The menu is two sliders (one chicken, one sirloin beef with cheese) coleslaw and fresh fruit plus a birthday ice cream sundae for dessert.

The cost of lunch is $22 and due by Tuesday, June 10. Please leave your check, made out to “SCSH Desert Life,” in the Desert Life mailbox located in the Montecito Clubhouse. If you discover you cannot attend please contact Michele Sparzo at 760-262-5907, as someone else may be able to take your place.

**Discussion Forum Club**

Here Comes Summer: Mark Your Calendars! We go dark for the summer, but we are busy planning our next season, October 2014 through May 2015.

- **When:** Thursday each month (*Wednesday)
- **Time:** 7 pm
- **Where:** Montecito Clubhouse Ballroom
  - October 16: Joe Migliori, Living In Earthquake Country
  - November 5*: Christine Johnstone, Memory Assessment
  - December 11: Barry Fisher, LA Crime Lab Director
  - January 8: Gaylon McSmith, Mars Exploration
  - February 12 (in process)
  - March 11* (in process)
  - April 9 (in process)
  - May 14: Dr. J. Scherger, Eisenhower Concierge Service

*Season Pass will be $10 per person or $3 per person.* at the door. For information, contact our President, Martin Lapides, at Ltram100@verizon.net or 760-772-2946.

**Games Plus Club**

Please come join us, our club has a variety of fun things. There are no dues. Most popular is the Bingo first Friday of each month. It will cost you $5 for a pack of 12 games, three chances at each. We also have two special games cost $1 each for double action and $2 for Black Out with three chances. In May our cash prizes were as large as $250. There is a snack table with candy and drinks also daubers for sale. We will be dark July and August, and will be back in September.

Each second Wednesday and forth Friday of each month at 6 – 9 pm we have Mexican Train. We have a scheduled room so please check the podium at entrance of Montecito Clubhouse, it will differ each time.

Each Monday from 12:30 – 4 pm we have a scheduled room for games; several play Scrabble, some Mah Jongg, and other games. We now have an interest in Chess, Cribbage, and Backgammon. If you are looking for someone to play these games please come and meet new friends or neighbors to get a group together regularly. There is always something for you to enjoy. You’ll have to bring your own set. We do have Scrabble games and Cribbage, not Chess or Backgammon.
Happy Tappers

The Happy Tappers tap shoes are hung up for the season – though you could practice on your own, and on Wednesday evenings from 6 – 7 pm with the summer tappers! You will then be ready to show us all up come November when we officially begin again.

Our plan is to start in November. The decision has not yet been made to change the date of our class from Saturday morning to Wednesdays evening from 5:30 – 6:30 pm. So far half the group is leaning towards Wednesdays. More to follow as we are closer to the beginning of the season.

If you are new to the area or have even lived here for years and would just love to make some beautiful noise with your feet, join us. Let me know your preference for the class day.

Lorna, our teacher, is patience personified. She shows us the steps over and over and over again, and then does it again . . . before you know it, it is a routine and we are dancers in our own right. We may even have a recital for our family and friends later in the year. Who knows?

Contact me for more info: Caroline Konczey, 619-890-2916 or caroline4health@gmail.com.

Jewelry Club

Have you ever wondered if you would enjoy creating jewelry? Come join us any Wednesday afternoon In the Mirada Room at the Montecito Clubhouse between 1 – 3:30 pm. Join right in by choosing one of our newcomer kits to make earrings or a bracelet. There will be one of our members available to guide you in successfully completing your jewelry. Or you may simply walk around and see what each of us is creating. Our membership includes all levels of expertise.

Notice our jewelry that is on display on two shelves in the hall cabinets outside of our room. We are very excited about our creations and enjoy sharing ideas with our members and showcasing our latest designs. Some of the jewelry on display is for sale by its owner.

Each individual works on her own creations. We learn how to make necklaces, bracelets, earrings, anklets, and bookmarks. We would be happy to have you come and join the fun.

Questions? Please contact Pat Melvin at 760-702-3410.

Kings and Queens Card Club

The Kings and Queens Poker Card club is open for play throughout the year. Can’t decide which club to spend your evenings at the Clubhouse? Can’t decide on how to spend those long Tuesday nights when the temperature goes down or up? It’s comfortable at the clubhouse playing cards with the Kings and Queens Poker Card Club.

The Kings and Queens Card club keeps on playing poker, week after week. We’re looking for new players as we welcome everyone from Shadow Hills. The card games start every Tuesday night at 6 pm. Men and women playing together just for fun. Remember those Friday night poker games you had as a kid, when you played poker wild cards, high/low, five card draw and high spade in the hole? At the card club we play poker games the same way you played as a kid in your old neighborhood. Its dealer’s choice no matter what your favorite poker game may be.

Is it Stud, Texas Holdem, or just plain Jacks or better? We’re here to have fun.

For information, please call Ben Weissbach at 760-702-7159.

Lady Putters

Lady Putters meets every Monday morning in the Capistrano room in the Montecito Clubhouse for check-ins at 7:30 – 7:45 for 8 am play for first session or 8:30 – 8:45 for 9:15 am play for second session on the practice green.

Continued on page 44…
downhill from the clubhouse. You will see us in our blue and white attire.

We invite all gals who have not checked us out to come and visit us. You may try putting once before joining. Membership dues are $15 a year, plus the cost of a logo shirt. All you need is a putter, a ball, $2, and the desire to meet new friends and have a fun time. Please note that we adhere to standard golf dress codes (no jeans) collared polo shirt. No golf spikes, please.

This month’s sessions will be starting based on the rising heat in the mornings; therefore, watch for the change-over to earlier check-in time and the start of only one putting session. Club members need to pay the $15 2014/2015 membership to maintain stats for the summer play and to carry over stats to next Fall and not have to restart your handicap or hole –in –one stats by June 30. Put your check in the “Lady Putters” mailbox.

No experience is necessary, and there are plenty of club members who will make you feel welcome. If you have any questions, call Diana Berry at 760-345-9689 or Maureen Whittaker at 760-342-1260.

**Let’s Meet & Eat Club**

I can’t wait to meet David Winston who is the mind-to-mind entertainer. I know this going to be fun.

I have so many great ideas for next fall, you’re going to love what I have lined up.

You can come if you’re here in July, as we have several people that will take LM&EC over.

If you’re going to be here in August and will help, please let me know. I can do everything behind the scenes, you just need to get the room ready for the arrival of people, make sure everyone’s having a good time, and clean up after. If you can do that, then let’s have LM&EC in August too. Last year we had a good turnout in July and August.

People need to mix more, meet others. So last meeting, we talked, and decided for the first half an hour, we will have people change tables every 10 minutes, then go back to your table, and eat with your friends. I have name cards on each table for a reason. If you find someone you would like to contact, get their name and number and put it on the card, then keep it in your wallet.

Hope you all have a safe, fun, summer – see you in September.

Any ideas you might have, let’s hear it.

**Lively Liners**

Hello from the Lively Liners Club! We would like to invite you to try line dancing. You may join us for a one time free trial at the Beginner class on Monday at 12:45 pm.

Beginner class is offered on Monday from 1 – 2 p.m. We have canceled our Step class that was offered at 12:30 pm from May through September. Our instructor, Mary will demonstrate/teach the steps that pertain to the dances that she is teaching during the summer. There will be a Beginner Review class on Wednesday from 3 – 4 p.m. The Intermediate class is on Tuesday from 1 – 2 pm and a Review class on Thursday from 5 – 6 pm. Please join us for a potluck on Thursday at 6 pm at the Kiosk in the Montecito Clubhouse, bring a dish to pass and your favorite beverage. We offer an Advanced class as you progress. Advanced classes are on Monday and Friday with instructor, Tina.

We would like to invite you to our “Safari” Dance on Saturday, June 21 from 6 – 8:45 pm. Safari attire is optional. Bring your favorite beverage and a snack. To make a reservations contact Rich Scales at dbbscales@gmail.com or call 562-706-3520. Members $5 and Guests $10.

If you would like more information about our club you may contact our President, Barb Wright at 760-636-0701 or visit our website at www.scshlivelyliners.com.

Hope to see you soon!

**Men’s Golf Club**

Summer is here and we will still be playing our regular Thursday tournaments. Check the schedule for all the events on the club website (www.myshmgc.net). In addition to our Thursday schedule, Jim Townsend has scheduled some great courses for us to play on Mondays throughout the summer through September. All away course tee times will be at 7:30 am. Check in at least 45 minutes earlier.

Signup sheets for Monday events can be found on the bulletin board in the Pro Shop at the South Course. During June we have scheduled Avondale, Escena, and Golf Club of La Quinta (Trilogy) to be played. Guests, including a woman’s flight are permitted for these Monday events which include lunch, golf and cart at low summer rates. You can view the entire Monday summer
Oke Dokey Karaoke

Hello everyone glad to see you reading about our club!

Who: Oke Dokey Karaoke Club
What: Karaoke Plus+++++
When: Thursday, June 19
Where: Montecito Ballroom
WHY: To Sing . . . To Listen . . . To Have Fun and Socialize

Everyone is welcome . . . B.Y.O.B and a whatever pot luck dish.

We are a very unique congenial, friendly, and a fun group of people composed of singles, couples, singers and non-singers.

If you are shy or curious you can call our talented president, Pat Melvin, and she will be happy to help you. Whether it’s to try singing for the first time or get information she will assist you on a one on one or bring a friend and she will help the two of you. Her telephone number is 760-702-3410.

Here is a perfect time to sing into spring and start branching out and have some fun. A whole new world will be waiting. Wow all because of music, music, music!

Important PS: Karaoke is music with the song lyrics on a TV screen you then get to sing along. You pick the song from a large printed songbook and there you go singing.

Opera Club

This month on June 10 at 5:30 pm we will have our pot luck dinner followed by a presentation of Peter Grimes an opera in three acts by Benjamin Britten.

Peter Grimes libretto was adapted by Montagu Slater from the Peter Grimes section of George Crabbe’s poem The Borough. The “borough” of the opera is a fictional village, which shares similarities with Crabbe’s, and Britten’s own home of Aldeburgh, a town in England.

Peter Grimes was the first of Britten’s operas to be a critical and popular success.

A recent storm at sea has caused the death of the young apprentice of a fisherman named Peter

Grimes. In the town hall, Grimes is questioned about the death by the lawyer, Mr. Swallow. The villagers in attendance believe Grimes should be held accountable for the death and call for his punishment. After Grimes gives his testimony, the coroner confirms the death was an accident. After Grimes is cleared of all charges, he is advised not to hire another apprentice. Once the hall is empty, Grimes is left alone angrily pacing the room, believing the town has denied him a second chance.

Bring one of your favorite foods to share and arrive at 5:30 pm. Information: 760-775-9521.

Pan
Let’s Play Pan! Come join us in the Capistrano Room at the Montecito Clubhouse Mondays at 6:30 pm and on Thursdays at 12 pm.

We want to welcome our new players who have joined the Pan Club on Monday night and Thursday afternoon. We also want to welcome back seasonal players. Please call our President Sharon Erlich at 760-200-8781 if you are interested in putting a table together or participating as a sub in an existing table. If you have never played Pan we would love to have you come by and watch us. We welcome all new residents to come on by and say hello, we would love to meet you. We have a nice group of women and love seeing all the new faces at our tables.

If you have any questions about the Pan Club, please don’t hesitate to call our President, Sharon Erlich, 760-200-8781.

Paper Crafters Club
Looking for a club that lets you be “creative,” but also allows you to meet new people while having fun? Look no further! Join the Paper Crafters and learn how to make beautiful cards, gift bags, boxes, etc. to send to those special people in your life. We meet every Monday from 12:30 – 5:15 pm in the Mirada Room at the Montecito Clubhouse. Whether you are new to paper crafting or a “seasoned” card maker, new to Del Webb Shadow Hills, or just been waiting for the right time to join our club, now is the perfect time to come and see what we’re all about. Our classes are much smaller during the summer months and it’s an ideal time to get to know us and learn how to make beautiful projects, such as the one below.

“Hummingbird” Card Taught by Sandi Cain
Please visit our showcase in the clubhouse (opposite the Mirada Room) to view some of our current projects (or peek into our classroom on a Monday and see first-hand what we’re all about!)

Questions? Please call Bev Whitney at 651-270-8109.

Performing Arts Club
Our next meeting will be Wednesday, June 11, 2014. Anyone having interest in participating in the Performing Arts Club is welcome to attend. We offer not only the opportunity to be part of upcoming productions, but also to engage in the performing arts in other ways. At our June meeting, we will be offering a Producers Workshop. A producer is a critical part of any show we put on, but very few people know what a producer actually does. The workshop will not only provide that information, in an entertaining manner, but might enable you to decide whether you might want to produce a show someday.

Performance dates for Don’t Dress for Dinner, directed by Pat Melvin, are November 13, 14, 15, and 16, 2014. We are happy to announce the cast, they are, Jan Briggs, Merle Freedman, Carol Rawls, Daryl Jacobs, and Allan Lorenz.

The Little Theatre Group meets on the third Thursday of every month and will continue through the summer. It’s great fun and everyone is encouraged to attend.

The Play Selection Committee met in May, and we are already reading scripts for future productions.

For inquiries contact PJ Nilson at 760-469-3420.
Pet Club

The Pet Club held its last meeting of the season in May. We are pleased that we have made some progress in increasing our interest in the club and that we anticipate more growth in the 2013/2014 year.

Our next meeting will be in September and we will give plenty of time in advance to all interested parties as to the date and location. It is our hope that we will be able to provide interesting and educational programs that are of interest to all in the club. For all of you who love your pets, I urge you to be part of us as all of your participation is what will make our club successful.

In the meantime, the adoption fairs will continue on the first Friday at the VCA Clinic at Jefferson and Hwy 111. We thank them for their support. We also thank Karen Dallmann for it is her initiative that we still have the Pet Club and the adoption fair. I look forward to seeing all of you at our September meeting.

Pickleball

As most of our seasonal members have headed north or to other parts unknown, our courts are now much more available; so for the next several months come join us at the Pickleball Courts located adjacent to the Santa Rosa Clubhouse and enjoy the fastest growing sport in America.

The hours of play are much simplified: Monday through Friday, 6:30 – 11 am. We remind you of the usual admonition about physical activities in the desert: sun protection (body, eyes and head) and plenty of water.

The courts are available for reservations at any other time than the above, including weekends and evenings.

If you would like to become a member of our club, renew your membership or have any questions about this popular sport, please contact our president, Jim Anderson at 760-625-0871 or email him at 1james.a1@gmail.com.

Rainbow Friends

Well hello to all! As we move into the summer months we have been using our outdoors clubhouse facilities. An evening of croquette, bocce, and Pickleball too! Lots of deli food, sodas, and homemade cakes to eat and enjoy. Visiting and discussing our next activities for the next meeting coming up. We have inked in our annual dinner dance. Mark your calendars for Saturday, October 18. Our next meeting is June 16 at 6 pm in the clubhouse. Emails will go out if we change the venue. Looking forward to adding new members as the year rolls in. We are a social club for gay, lesbian, family, and friends. For further info please contact Barbara Handler 650-598-9928.

Readers Ink

Readers Ink meets on the fourth Tuesday of every month in the Montecito Clubhouse. We read and discuss a variety of books, chosen by the popular vote of our members. A different volunteer leads each discussion and all our meetings are lively. Everyone has the opportunity to be part of the ongoing conversation and give each book a numerical rating.

This month we will be discussing Catherine The Great: Portrait Of A Woman, by Robert K. Massie. Mr. Massie is known for his biographies of the Russian aristocracy – Peter the Great, Nicholas and Alexandra, The Romanovs – and this story may be his best endeavor. Connie Brennan will lead our discussion. Connie was the very first president of Readers Ink and, during this month’s meeting, she will be elected our club’s president for the 2013/2014 term of office, assisted by Vice President Gary Miller, Secretary Carol Sacks, Treasurer Harriet Oppenheim, and Web Page Maven Merle Freedman. As I hand the microphone over to Connie, I want to thank Gary, Carol, Harriet and Merle for all their help and support during this past year. May you all have a great new year, leading our wonderful club. — Paula Young
RV Club

In May, we celebrated Cinco de Mayo in style on our trip to Buellton near Solvang California. Fun, eating, and drinking margaritas were enjoyed by all at the resort! We always have a great time exploring the area. Solvang is a quaint Danish town, lots of wineries close by, beautiful surroundings and “yes” more wonderful restaurants. Thanks go to our Wagonmasters Bonnie Heggen and Tom Strasburger. Also, an AdHoc trip was planned to Morro Bay and was hosted by Bert and Charlotte Emert. Thank you Bert and Charlotte!

In June, we will have a Potluck Dinner meeting which we’ll introduce our new volunteer board officers!

No trip is planned for October yet, but in November we’re going to a new RV park on the Colorado River in Parker Arizona. Some things planned are golfing, cocktail boat rides, great BBQ, and just “fun in the sun” on the river! Thanks to Wagonmasters Dan Ruyle and Shari Stock!

Our next meeting, after June, is September 17 in the Montecito Clubhouse in the Mirada room at 5 pm. Our meetings are the third Wednesday of each month.

Come join us! For more information, call Jill Thomas at 760-342-3282 or email jethomas1946@gmail.com; or Sande Washburn at 760-238-4232, or email whsswashburn@yahoo.com.

Shall We All Dance

Shall We All Dance is taking a break for the summer. We may be away – but we have not forgotten our fellow dancers. Come dance with us beginning next fall! We have another great year planned on the dance floor.

Check our club website www.shdancers.com for details of our scheduled dance events and dance lessons. These will be announced during the summer. We occasionally offer dances in the summer months, and those dates will be posted on our website.

Thanks to all of you who joined in the fun this year. We hope you keep dancing, wherever you are, and return to our dance floor with us in the fall.

If you have any questions concerning the Shall We All Dance club or our events, please contact Pattie Martin at 626-523-4352.

Hi Softball fans! Our softball club meets every Wednesday morning at 8:30 am at Freedom Park. We are currently having batting practice every Wednesday morning due to low participation. We are always looking for new players. If you’re interested in slow-pitch softball, come out to Freedom Park, approximately a quarter mile west of Washington Park on Country Club Drive. See you there!

Solos

The SCSH Solos Club offers an opportunity for residents to meet other single residents in a relaxed social environment. Our regular monthly meeting is held on the third Sunday at 5 pm in the Capistrano room. We have a short meeting where future events are revealed and members’ suggestions are discussed. This meeting is followed by social time that includes wine, good food and lively conversations. Two additional ongoing activities each month are a Sunday lunch held on the second Sunday and a Mystery Happy Hour on a Tuesday or Wednesday. One of our members hosts each of these events.

These activities give you a chance to explore the desert valley by going to lunches, dinners and happy hours. What a fun way to try out various venues with a fun group.

Members also participate in other functions offered thru the Lifestyle department. As a Solos’ member, you can have companions to attend these various events.

Our year runs from July 1 to June 30 with annual dues of $10. A flyer listing a sample of our activities can be found in the rounder at the Lifestyle desk. Completed forms, along with your check made out to “SCSH Solos,” can be placed in the Solos mailbox located in the hallway behind the library. You can join anytime you are ready but why not join now and get involved with the fun.

Monthly Solos newsletters are emailed to current members detailing the events and details for the upcoming month.

June will be the last meeting until September 21, 2014. We look forward to meeting new members. Any questions, call either of the Co-Presidents: Janet
Worthley at 760-972-4914 or Clara Newton at 760-360-3660.

**Table Tennis Club**

June is busting out all over! Beside the month for brides it brings to mind Veterans Day in which a flag should wave on June 14. Buy one and stand by and look closely at it, it means a lot to all of us.

With 2014 nearly half gone, its due time to think of Table Tennis with the temperature rising fast. Think again of the Santa Rosa Clubhouse, the home of the Newport and Pismo Rooms where you can escape from the heat and enjoy some fast moving Table Tennis for fun and health reasons.

The Lifestyle Calendar of Events located in your View will indicate days and times the club meets.

For those that are not club members, times and days are listed in the Fitness Calendar section. Practice at that time and then come and join the club. You owe it to yourself for fun and exercise in addition to keeping cool.

**Tennis Club**

The summer tennis season has begun and we are now on summer hours. Go to our Shadow Hills Tennis web site (www.scshtennis.com) and it will give you all this information. You will need a password to access this information. If you need assistance contact Laura Preston at laura_mp@verizon.net. The website will give you all the information on playing times, coordinators, and who to contact.

**That’s Entertainment Club**

Sir Laffs-A-Lot’s is bringing live musical entertainment to SCSH each month this summer. Please see our ad in this issue or the SCSH website, under “Upcoming Events” for the performers and dates. These shows will be open seating in the cabaret style (tablecloths and twinkly lights) and will be limited to 240 residents on each date. For your convenience, tickets for all dates are available now.

Sir Laffs-A-Lot’s Comedy Night will continue over the summer on the third Wednesday at 7 pm. Since the crowds have cleared out, we are returning to the very popular cabaret style room set-up until October. And, yes we are adding back the red wine and pretzels. If you have never been to Comedy Night, we arrange for two LA comedians to drive out to Indio and do an amazing show for 90 minutes. The comedians are different every month. This very successful event is well into its fifth year.

That’s Entertainment Club is a proud sponsor of entertainment at Shadow Hills.

**Travel Club**

The next travel club meeting will be on October 22.

We have a trip to the Northwest National Parks in the beginning of September and a cruise from Australia to New Zealand in November 2014. We are also planning a river cruise from Nice to Paris through Burgundy and Province wine country in July 2015. The first
boat is nearly sold out with travel club travelers. Come to our meeting to get all of the information. Our dues are only $5 per person.

Flyers for all of these trips should be available in each clubhouse. If anyone has any questions, they can contact Jerry Irwin at 760-289-6748 or ongreenpar@dc.rr.com.

**Tutta Bella Vino**

Come join your wine club this month (on Saturday, June 28, at 7 pm in the Montecito Clubhouse ballroom) as we feature cuvée wines.

Maybe you’ve seen the term on a label recently but are wondering: what exactly is a cuvée? Increasingly popular in the wine world, these are special “blends” (rather than wines produced predominantly from one varietal) that generally feature selected “lots” of higher quality. The combinations are almost endless, often unique, and always intriguing.

The cost for this event is $20 per person (which includes a small plate of food pairings). To attend, complete a registration form (available at the Lifestyle desk or on the club’s webpage, www.ssshca.com); attach a check to “SCSH Tutta Bella Vino”; and drop everything in the club’s mailbox.

The registration deadline is June 21; we cannot accept payment at the door. Club events are open to members and their guests only. You are welcome to attend one event before becoming a member.

Please note: this is our last event of this season. The club is “dark” in July and August, and we resume in September. Event dates for 2014/2015 are posted on the club’s webpage.

Questions? Please call Julie Harris, 760-217-6062.

**Ukulele Strummers**

Temperature’s rising, snowbirds have left for the north, and things are getting quiet around Shadow Hills. Ukulele Strummers can boast of a most successful season. We welcomed many new members; we used a wonderful new “Play Book.” We’re not a club that generally plays gigs. However, this year we were invited to entertain within the community as well as outside. The group enjoyed a wonderful experience playing for youngsters and their families at an elementary school in Coachella, not once but twice. We entertained for our annual Christmas tree lighting and Chanukah Candle lighting ceremonies. The real fun occurs each and every Thursday from 12:30 to 3 pm at the Montecito Clubhouse. It’s when we play and learn for ourselves. Come join us, let us show you the fun you can have by playing that small magical instrument. For information contact Mel Borses at 760-636-4788.

**Veterans Club**

Unlike many veterans groups, this club is not about rehashing war experiences. Our club is about assisting members and their spouses as well as all our neighbors. We sponsor speakers to make veterans aware of the many benefits they have earned while serving their country. The club has also established a reference file with the many agencies that deal with the elderly, including veterans.

The club provides services to the SCSH community: Veterans Day in the fall; a highly successful Toys-For-Tots drive to begin winter; and our Memorial Day flagraising ceremony in the spring – providing recognition to those who have served. The flag display in the lobby of the Montecito Clubhouse is courtesy of our club. We also offer US flag disposal for worn flags as well as the sale of new flags. And finally, we offer an e-newsletter to our members with the latest information concerning veterans and club happenings, making this newsletter a “must have.”

We meet on the third Tuesday of the month, June 17, at 7 pm in the Montecito Clubhouse. We will install new officers for the following year at this meeting. There will be no meetings in July and August. Our new hats, with logo, are in – so be sure to see Pete Anderson.

**Woman’s Golf Club**

Our 2013/2014 season is complete and our part-time residents have returned to their summer destinations. Those of us that live in Shadow Hills year-round certainly miss them and look forward to their return in the fall! The spring team finished their season and represented us well! Thanks to Merlina Tate and Marylou Marcus for co-chairing the team this year! The SHWGC welcome
back party is scheduled for Monday, November 3. Watch for details in the October View issue. In the meantime if you have questions or comments please contact club president Grace Hutchings at uclafan1@dc.rr.com.

**Writer’s Club**

Each meeting every member has the opportunity to read two or three pages of their work to the group; receive ideas, direction and gentle criticism. Part of being in our club, is the encouragement we get from each other to write on a regular basis.

This season we will be looking at writing short stories, as well as ongoing biographies, novels and works already in progress, by different members. Bring along something you have written some time ago and perhaps forgotten about. A rewrite and some fresh ideas might bring your work to life.

Try your hand at writing that story you have always wanted to tell. It does not matter if you are writing; fiction, non-fiction, autobiographies, memoirs, or screenplays, all are welcome. Write a page a day for a year and you have a book!

The Writer’s Club meetings this month are Thursdays June 5 and June 19 at 10 am in the Santa Rosa Clubhouse. Who knows, you may find the hidden writer in you. Free membership! How can you go wrong?

For more information, please contact Tony at 760-775-9521 or antiqphoto@gmail.com.

**Resident Groups**

**Democrats**

At their May meeting the Democrats enjoyed a rousing campaign speech by Assemblyman Manuel Pérez, candidate for County Supervisor, 4th District. Mayor Pro Tem Sam Torres has apologized profusely for not being able to attend the meeting. He was tied up at a water conservation meeting in Monterey. You can be sure he will be scheduled for a meeting in Fall.

The following were elected as officers for 2014/2015: Secretary, Nettie Washington; Treasurer, Vicki Berg; Membership Chair, Roz Watkins; Hospitality Chair, Barbara Bossi. Erica Hedlund volunteered to be President for another year. If anyone is interested in planning the programs for the meetings, please let any one of the officers know.

Suzan Wilkinson, California Democratic Party Regional Director, Region 19, presented the agenda for the regional meeting on Wednesday, May 28, 5 – 7 pm at the Mizell Senior Center in Palm Springs. Of great interest will be an update on Democratic activities throughout the state and the Assembly District Election Meetings. Suzan advised that resolutions to be included in the party platform often originate at the local level.

Jan Dybdal was honored as the founder of the Democrat Resident Group at least six years ago. She has been active in Democrat activities ever since. Carol Wilson was honored as the expert publicist in our group. She has prepared all the attractive flyers announcing our monthly meetings.

Many thanks to all of you who volunteered your time and skills in the Democratic Headquarters throughout the Coachella Valley prior to the June 3rd elections. Without your assistance we could not have been successful.

Voter registration is an ongoing process. Some people write “independent” as their choice for a political party. Choosing to be independent is good but writing “independent” on the registration form will put you in the American Independent Party which is the Tea Party. If anyone you know wants to register or change their registration, please call Erica Hedlund at 760-200-1939 or Nettie Washington at 760-469-2705.

If you have any questions about voting procedures or due dates, please read your Consolidated Primary Election booklet or call the Registrar of Voters at 951-486-7200 or 800-773-8683. Your vote for Democrat candidates is essential!
Jewish Outreach Group

The feeling of “Jewishness” is alive and well in our community, and continues to grow. We continue to be very excited to have Rabbi Glenn Gelman on board to provide a poignant, fun and spiritual Friday night service. Rabbi Gelman is a resident of Shadow Hills and is both a Cantor and an ordained Rabbi.

The May 16th and June 20th services have been cancelled. The next service will be June 27th. It will be the end of our first year celebration. After a short Shabbat service, we will be able to serve up to 100 people dinner and dessert.

Services will be in the Montecito ballroom. A donation of $5 per person is appreciated to cover our costs. We are limited to 100 people, so admission is on a first come, first serve basis. We have had excellent attendance for the past several months, and we look forward to accommodating everyone.

Please RSVP no later than two weeks before the service. Your check is your receipt. Please deposit your check, made out to “SCSH Jewish Outreach,” in our mailbox at the Montecito clubhouse and include your email address.

Secondly – The Jewish Men’s Club has begun. We will seek venues where we can volunteer our time and expertise and we will come together to share some common experiences, such as trips to sporting events, attend seminars or have guest speakers, etc. All interested please call Arnie Gillman at 213-703-5100 or email hag33150@aol.com.

We will not have services for the summer months and then will pick up again 10/17/14, and continue on throughout the season. Exact dates to follow.

Rimona Hadassah

Our June Meeting will be on Tuesday June 10 at 10 am in the Montecito Clubhouse. Our speaker will be Celia Norian, President of the Desert Jewish Federation. Celia has a fascinating past and will be an informative and interesting speaker. This is our last meeting until October 2014.

We are a friendly and fun loving group – so if you haven’t joined yet – jump in.

This will be our last meeting for a few months. We will not meet again until October 2014. We will have activities over the summer so watch your emails. You want to be involved. If you have any questions you can contact:
• Membership: Nancy Ferstenfeld – nanfert@aol.com
• Meeting info: Cindy Hailpern – cindy.hailpern@verizon.net

The Voice

The Voice is a group of homeowners with expertise and experience in management, law, and accounting who are concerned about transparency, member participation, and fiscal responsibility in the management of the affairs of our community. We attend Board of Directors meetings, committee meetings, and actions of Associa/PCM to guarantee our rights under the Davis-Stirling Act, and our own CC&Rs, and R&Rs, and keep with issues that affect all homeowners. We encourage all residents to get involved whenever and wherever possible. Contact: Martin Stone, at martin.stone.99@gmail.com or Darlene Turner dardar3773@gmail.com.

Clubs in Formation

Birders

Anyone out there who likes to go out birding in our area? It would be fun to form a group of birders. Contact Joan Carskaddan at 760-767-1186.

Desert Gardeners

If you’re interested in learning more about gardening in the desert, whether you are new to gardening or a true green thumb, but new to the desert, please consider joining a new club being formed. The club will focus on sharing and learning more about desert-wise plants, their care and maintenance, tools, and helpful services in the area. Please contact Linda Delaney at 760-772-1765 or lindajdelaney@gmail.com with your contact information and ideas.
Gin Rummy

Do you like to play cards? Why not join us on Mondays in the Santa Rosa Club House. We play from 2:30 pm to approximately 5:30 pm. If you don’t know how to play Gin Rummy we will be happy to give you some free lessons. Please contact either Don Merz (760-347-1330, drmz45@gmail.com) or Marie DeVito (760-636-5593, mariedevito2@gmail.com).

Motorcycle Riders Group

This past week, as the weather has turned warmer, the Shadow Hills Motorcycle group rode from our community to Oceanside for a walk on the pier and lunch. We had seven motorcyclists on the ride and we had a wonderful day culminating with lunch at Ruby’s restaurant on the end of the pier. Anyone wishing to ride with us please contact Bob. We meet Wednesdays at a time dependent on the weather. Hope to see you join us.

Although no one is required to share, we know that “pain shared is pain diminished.”

Videos include: How Do I Go On? When Mourning Dawns; Invincible Summer, Returning to Life After Someone you Love Has Died; Tear Soup, A Recipe for Healing After Loss; Nothing is Permanent Except Change; The Courage to Grieve, The Courage to Grow; You Shall Not Be Overcome, Gaining a Heart of Wisdom; and Finding Meaning in the Autumn of Your Life.

The 10-week Bereavement Group will meet Friday mornings from 10 – 11:30 AM beginning July 11.

To register or for more information please contact Barbara LesStrang Baumann at 760-772-8462 or griefcoach@aol.com. There is no charge.
