Call to Order

The June Safety Advisory Committee meeting was called to order by chairperson Ed Chavez with Committee members Mario Deiro, Joe Bourque and John Hone present. Other attendees included Greg Middlebrook, HOA Board; Ceasar Larrach, HOA; David Archer, Community Safety Director; Mark Galvin, UPS Division Manager and Ken Foster from the Information Committee.

Review/Approve Minutes

Upon a motion by Mario Deiro and a second by Joe Bourque, the May 6, 2015, meeting minutes were approved.

General Update

David Archer, Community Safety Director, provided the security report for the month of May, 2015. There were 47 incidents of failure to stop at posted stop signs, more than double from the previous month, and 6 speeding violations. There were 2 reported thefts in the community. There were 43 incidents of garage doors being left opened & unattended, much less than the month of April.

David Archer reviewed rules for contractors and vendors who are not on the Vendor Access Program. The Committee concurred with the rules and the registration form that will allow security to obtain better information on these vendors that do business in our community.

The Committee discussed the use of alternate gates by vendors to alleviate the heavy flows of traffic at the Jefferson street gate. It is felt that this helps as the overpass project impacts traffic more and more. It is also a benefit in that vendors can get to their job sites without having to travel through the entire community. The Committee

indicated use of these gates should continue, but be monitored to ensure no problems develop.

David also talked about the pedestrian gates and that exit and entry would be by access cards and not the key pad beginning June 17. The Dwelling Live system recently implemented allows residents to register guests and service personnel by going on line or by using a phone App from a cell phone.

Next meeting: July 1, 2015, at 10:30 a.m., LaJolla Room, Santa Rosa Clubhouse
