INTRODUCTION

Purpose and Legal Status: The Sun City Shadow Hills Community Association (hereinafter, “SCSHCA”) is formed as a nonprofit mutual-benefit California Corporation to operate and maintain facilities and develop and facilitate activities that promote an active adult lifestyle within the Sun City Shadow Hills community. SCSHCA shall refer to and mean the entire community known as “Sun City Shadow Hills Community Association,” including all Lots and Common Areas (inclusive of Recreational Facilities), which are subject to the Declaration of Covenants, Conditions, Restrictions, Assessments, Charges, Servitudes, Liens, Reservations and Easements (hereinafter, “Declaration”).

SCSHCA is charged with the duties and vested with the power prescribed by law and as set forth in the Declaration, the Articles of Incorporation, Bylaws, Design Rules, these Rules and Regulations (hereinafter, “Rules”) and Compliance Procedure of the Association (hereinafter, collectively “Governing Documents”). In addition to the foregoing, terms which are frequently used in these Rules, as well as capitalized terms used in the Rules, shall have the same meaning when used in these Rules as defined and set forth in the Declaration. The Association takes all action through its Board of Directors (the “BOD”), unless otherwise provided in the Governing Documents. Members of the Association have specific privileges in the use and enjoyment of Association Common Areas and Recreational Facilities as prescribed by the Governing Documents, subject at all times to SCSHCA’s right to reasonably regulate and control its facilities and property.

The facilities and programs of SCSHCA were developed specifically for our residents and their invited guests. The Rules and Regulations that follow will enable you to more fully enjoy and understand the Association and its many benefits. Please take some time to read about your Association and its operating concept. The Rules and Regulations will clarify many new terms and policies while providing basic rules for the use and enjoyment of Association facilities and programs. As in all cases, rules are to assist in the orderly and safe use and application of Association programs, and they are meant to have some flexibility for interpretation. While an Association must have rules, it is the intent of the Board of Directors that all programs be operated with customer satisfaction in mind.

Management, in turn, will target the highest level of customer service and program delivery for its primary objective. We encourage input and involvement from each resident and are committed toward using that energy to build upon and improve our community.

Please be reminded that the Rules and Regulations serve only as a supplement to the Association's existing Governing Documents. The attached information should not be considered an all-inclusive list of rules, regulations and responsibilities of every homeowner. We appreciate your support in our endeavor to provide a safe and desirable environment for all of our residents to enjoy the numerous benefits of living at Sun City Shadow Hills Community Association.

The Resident ID Card is for the exclusive use of the Resident whose name and photo appear on the front of the Resident ID Card. Use by anyone other than the Resident to whom it was issued may subject the Owner to disciplinary action by the BOD.

- 2.2.4 Resident ID Cards – Lost or Stolen: Lost or stolen resident ID Cards should be reported to the Association Office immediately. A replacement Resident ID Card will be issued for a fee (see list of current fee schedules).

- 2.2.5 Transponders – Generally: Staff, at the Association Office, handles transponders and all transponder-related issues during regular business hours. Each Lot is assigned two (2) transponders that, when activated and mounted properly to a vehicle, will signal the Resident-only gates to open automatically. Because a transponder represents a "key" for entry into SCSHCA, the Association urges Owners and Residents to take sensible security precautions.

- 2.2.6 Transponders – Non-Transferrable: SCSHCA issued transponders are non-transferrable. Use of a transponder by anyone other than the person to whom it is assigned may subject the Owner and/or Resident to disciplinary action, including suspension of privileges and/or other remedies available to the BOD under the Association's Enforcement Policies and Procedures.

- 2.2.7 Transponders – Lost or Stolen: If an Owner and/or Resident misplaces a transponder, or suspects that it has been stolen, he/she shall immediately contact the Association Office so the transponder can be deactivated. Residents can purchase replacement transponders at the Association Office.
- 2.2.8 Transponders – Selling/Sold Vehicle: When selling a vehicle, an Owner and/or Resident shall contact the Association Office to have the transponder deactivated and, if necessary, install a transponder on a different vehicle. A fee may apply.
- 2.2.9 Transponders – Inoperable: Any Owner and/or Resident who experiences a problem with a properly assigned and mounted transponder (inoperable transponder) shall notify the Association Office of the problem and Association Staff will replace or repair the inoperable transponder (this provision does not apply to Owner and/or Resident transponders that have been deactivated for disciplinary reasons).

2.3 Renting or Leasing a Residence:

The Owner of a Lot may rent or lease the entire residence on such Lot to a tenant from time to time, subject to the provisions outlined in the CC&Rs and these Rules with the exception of vacation rentals that are being administered by a responsible vacation rental program administrator, no Residence may be leased or rented for a period of less than ninety (90) consecutive days. As described in the CC&Rs and California Civil Code, at least one Qualifying Resident must reside in the Dwelling Unit throughout the entire rental period. All other occupants of the Dwelling Unit must be either a Qualified Permanent Resident(s), or a Permitted Health Care Provider(s), as defined in the CC&Rs and California Civil Code. The following limitations shall apply to all rental agreements and leases of a residence within SCSHCA:

- No residence may be rented, or leased, for a period less than ninety (90) consecutive days with the exception of vacation rentals that are being administered by a program administrator. A “responsible vacation rental program administrator” shall mean a person who is not an Owner and who, on behalf of the Owner, is responsible for (1) collecting the rental or lease fees from the tenant; (2) maintaining and repairing the rented/lease Residence; (3) submitting to SCSHCA all forms or other documentation as required by SCSHCA at least three business days before the term of the rental/lease commences; and (4) registering with the City of Indio (“City”) and complying with any and all City short term rental ordinance(s).
 - The rental agreement, or lease, must be to a single family
 - The rental agreement, or lease, shall apply to not less than an entire Residence (including Casitas when one exists)
 - The rental agreement, or lease, must acknowledge the sole right of the tenant, rather than the Owner, to use the Common Areas and Common Facilities during the period of the tenancy (except that voting rights in SCSHCA may not be transferred to a tenant, or lessee)
 - All rentals shall be evidenced by a written rental agreement, or written lease, which shall provide that the tenant is subject to the terms of the Governing Documents
 - Owner must sign an Assignment of Privileges form to transfer Use Rights to tenant (see 2.3.1 for more detail)
- 2.3.1 Assignment of Privileges: While a residence is rented or leased, the Owner of said residence must agree to sign an Assignment of Privileges form. The Assignment of Privileges form serves as the Owner’s acknowledgement that he/she has rented or leased the property and has assigned all use rights and privileges for SCSHCA common areas, clubhouses and

other amenities, to the Owner's tenant or lessee. However, the Owners voting rights, for SCSHCA related elections, will remain with the Owner(s) throughout the term of the rental agreement or lease.

During the term of a rental agreement or lease, neither the Owner nor his/her guests will be permitted to use the Common Areas and Recreational Facilities. However, the golf course, when open for general public play and the Shadows Restaurant are available to the Owner and his/her guests. The Owner and his/her guests will be responsible to pay the applicable public rates for use and will not be entitled to any Owner discounted prices for golf, golf merchandise and food (except for promotional offers made available to the general public).

- 2.3.2 Rental and Lessee Assessments: While a residence is rented or leased, the Owner of Record remains responsible for payment of all SCSHCA Assessments.
- 2.3.3 Forfeiting Resident and/or Tenant (or Lessee) ID Cards: All Resident ID Cards and/or Tenant (or Lessee) ID Cards of previous tenants (including the Owner of the Residence) of the intended rental property shall be deactivated or returned to the Association Office, at 80-814 Sun City Boulevard, Indio, California 92203, prior to, or at the time new tenants are registering with the Association. Resident and Tenant (or Lessee) ID Cards will not be issued to the Owner's new tenants until Owner and/or previous tenant ID Cards have been surrendered or deactivated. There will be a charge for a Tenant ID Card each time the residence is rented or leased (see list of current fee schedules).
- 2.3.4 Disciplinary Action Against Tenants or Lessees: In the event that any tenant, or lessee, fails to honor, or comply with, the provisions of any Governing Document, SCSHCA shall be entitled to take such corrective action as it deems necessary or appropriate under the circumstances in order to preserve the quiet enjoyment of other Owners and Residents within SCSHCA.

SCSHCA's actions in response to a tenant's violation of the Governing Documents may include the following:

- Suspension of the tenant's privileges to use the Association's Common Areas and Recreational Facilities, which may include deactivation of the tenant's ID Card(s) and/or deactivation of Transponder(s)
- The imposition of fines and penalties against the Owner of the Residence

2.4 Guests:

In order for a guest to utilize SCSHCA's Common Areas and/or Recreational Facilities (including the fitness centers, swimming pools, tennis courts, bocce courts and billiard room), any guest seventeen (17) years of age and older must either possess a valid Guest Pass (Separate from a Guest Vehicle Pass) or be accompanied by the Host Resident at all times while using the Common Areas and/or Recreational Facilities. Additional fees are required for Guests to play golf and/or participate in special activities.

Use of SCSHCA's Common Areas and/or recreational Facilities and equipment by Guests is subject to certain age and use restrictions as specifically set forth in these Rules.

Lost or stolen Guest Passes are available at the Association Office and subject to a fee (see list of current fee schedules). Each Lot is assigned one (1) guest pass at no charge.

- 2.4.1 Definition of Guest: Individuals regardless of age, who stay with residents of SCSHCA for 60 total days and nights or less in a calendar year, are Guests. The 60-day threshold only applies to Guests staying overnight at Residences. A Guest may stay in a Residence without a Host Resident, i.e., a Qualifying Resident or a Qualified Permanent Resident, physically present.

Individuals who stay in a Residence within SCSHCA for more than 60 total days and nights in a calendar year are no longer Guests and must vacate the Residence or must qualify to reside in the community pursuant to Section 8.1.1 of the CC&Rs. Such individuals shall submit to the Association's age verification process and if required in the Board's sole discretion, provide proof of primary occupancy in the Residence that is satisfactory to the Board, or immediately quit occupancy of a Residence within the community. A vendor of a resident is a commercial invitee and not a Guest.

2.5 Change of Address:

The Owner of the Lot is obligated to immediately notify the Association, in writing, of any change of mailing address, whether such change is temporary or permanent. Failure to do so may delay delivery of account statements, Association notices and other time-sensitive material sent out by the Association.

From March 16 to October 31 (basically during Daylight Saving time) the pet park(s) will close at 8:00 pm.

Pets may only be taken off the leash when inside the confines of the pet park(s). Owners of small pets must use extra caution so that their pets do not escape the confines of the pet park(s). Each pet owner is responsible for removing the pet’s litter, including fecal matter, from the pet park(s) and disposing of it at home or in the pet park(s) receptacle. Throwing pet waste over the fence is prohibited and may result in the assessment of a fine.

Unruly dogs and female dogs in heat are not allowed in the pet park(s). Pets that attack or otherwise present a danger or interfere with the freedom of movement of persons and/or other pets shall constitute a nuisance. 2.21 **Common Area Tree Removal and Replacement:**

The decision as to whether to remove and possibly replace a tree is according to the sole discretion of the Board.

In any election of the Board in which more than two (2) positions on the Board are to be filled, every Member entitled to vote shall have the right to cumulate his/her votes and give one candidate or divide among any number of candidates, a number of votes equal to the number of Directors to be elected.

The appointed Inspector(s) of Election may be an outside independent third party and may include, but is not limited to a Member of the Association or any nonaffiliated entity receiving compensation from the Association.

To ensure impartiality the Board of Directors shall select an independent third party or parties as an inspector of election.

If there are three (3) Inspectors of Election, the decision or act of a majority shall be effective in all respects as the decision or act of all.

The Inspector(s) will determine the number of memberships entitled to vote and the voting power of each in accordance with the Association's By-laws.

The Inspector(s) will determine authenticity, validity and effect of proxies, if any.

Unless the Inspector(s) designate a different location to receive ballots, the location to receive ballots will be the Association's managing business office address (80-814 Sun City Blvd., Indio, CA 92203).

The Inspector(s) shall hear and determine all challenges and questions in any way arising out of or in connection with the right to vote.

The Inspector(s) shall count and tabulate all votes at a duly noticed Board or Member meeting in an open setting allowing Members and candidates to witness the counting and tabulation of the votes.

Anyone who is not an Inspector of Election or appointed to assist the Inspector(s) of Election, must remain at least five (5) feet away from the counting area. A person may not interfere with, harass or otherwise communicate with the Inspector(s) of Elections while the count is taking place. Members or persons not specifically authorized to do so may not touch any secret ballot or other election materials.

The Inspector(s) or the Board of Directors can cause the removal of any observer who causes interference with or disrupt the counting or tabulation process.

The Inspector(s) shall determine when the polls will open and close.

The Inspector(s) shall determine and announce the results of the election and shall report the results of the election promptly to the Board of Directors. The results shall be recorded in the regular session Board meeting minutes.

An Inspector of Election shall perform his/her duties impartially, in good faith, to the best of his/her ability and as expeditiously as is practical.

The Inspector(s) shall perform any acts as may be proper to conduct the election with fairness to all members in accordance with the law and all applicable rules of the Association including these election rules.

The Board of Directors may remove and replace any Inspector of Election prior to the tabulation of votes if an Inspector of Election resigns or if the Board reasonably determines that an Inspector of Election will not be able to perform his/her duties impartially and in good faith.

Management or the Board shall provide the Inspector(s) of Election with a membership list accurate as of the record date established by the Board for voting eligibility and such other documents as may be necessary for the Inspector(s) to verify the results of the election or votes.

The Inspector(s) of Election shall have the authority to consult with the Association's legal counsel in the event of uncertainties in the interpretation or application of Civil Code, these Rules, the Association's governing documents or as might otherwise be necessary to ensure a fair election that complies with the law and the governing documents. All such consultations shall be protected by the Association's attorney-client privilege and shall be kept confidential from all persons other than the Board of Directors. Note, however, that neither the Inspector(s) of Election nor the attorney shall disclose to others, including the Board, how a particular ballot or proxy is to be voted.

7.8

Ballots and Tabulation:

Once the Association receives a ballot, it is deemed irrevocable.

Ballots shall ensure the confidentiality of the voter and shall not identify the voter by name, address, lot and parcel or unit number and may not require a signature.

The ballot itself shall be inserted into an envelope that is sealed. This envelope shall be inserted into a second envelope that is sealed. In the upper left hand corner of the second envelope, the voter must print and sign his/her name, address, and lot, parcel or unit number that entitles him or her to vote. The second outer envelope is addressed to the Inspector(s) of Election at the designated address.

Owners may return their secret ballot by mail, hand deliver it to the meeting or complete the ballot at the meeting. If an onsite ballot box is available ballots may be delivered to said ballot box.

Only those ballots delivered to the Inspector(s) of Election prior to the polls closing shall be counted. All ballots must be received via double envelopes.

If a member loses his/her ballot, a new one can be obtained from the Inspector(s) of Election, however, if a ballot envelope is already on file from that unit no new ballot will be given.

A member, who signs or otherwise marks his/her ballot with an identifying mark, waives his/her rights to secrecy.

The sealed ballots shall at all times be in the custody of the Inspector(s) of Election or at a location designated by the Inspectors.

After the counting of the ballots and the certification of the election results by the Inspector(s) of Election, the ballots shall be transferred to the Association, where they will be stored as part of the Association's records for at least one year.

No person, including a member of the Association or an employee of the management company, shall open any ballot prior to the time and place, which the ballots are counted and tabulated.

If the number of candidates is equal to or fewer than the number of open positions and tabulation is not necessary to determine term of office, then a member in attendance may make a motion to elect the slate as presented followed by a secret ballot vote of the members in attendance to elect the slate as presented. The vote count will then be waived.

After tabulation of the votes, custody of all election materials will be transferred to the custody of the Association for its corporate records.
