

The CREATIVE ARTS CLUB of Sun City Shadow Hills Presents a series of 3 Landscape Classes in Acrylics By Jennifer Kane

Artwork by Jennifer Kane

"My work and art career evolved over the course of the past 20 years by exploring the medium and experimenting with different styles. This led to the development of my own style as a painter and designer, and eventually, to serving as an instructor.

"A lifelong interest in conservation, fostered during my upbringing, has become an authentic and central focus for my art work. My current goals revolve around the enjoyment and appreciation of the beautiful outdoors, and sharing its current state of vitality. My work is intended to reach out to others and enhance their awareness and respect for our natural resources."

**Classes are held
Fridays from 1pm - 4pm
January 11, 18 and 25
