Piano Fund Report

by Gloria Lash

I want to thank everyone who attended our event on Friday, May 4. The weather changed our plans but we still had a great time. Christian Califour blew us away with his harp performance. Danny Goodman, Del Webb V.P. of Operations, gave us a huge surprise when he presented a \$7,000 check to us. That brings our total to over \$11,000. Breaking that down on our chart, we have 56 of our 88 keys bought, leaving 32 keys to go. We are well on our way to having our piano here by our goal of September. We will have to make plans for a big celebration event when our piano is purchased. The donations that are still coming in will make it all happen. Please watch the chart and your calendar of events.

Request for Finance Committee Volunteers

Our community has reached a point where we need to begin the process of forming a Finance Committee. During the initial stages of forming this committee, the Board needs to find a group of residents that would like to be involved with the intimate financial aspects of operating this community. Ideal candidates for this committee will have a strong financial business background or have served on an HOA Board of Directors in the past. If you have served on a board in the past, especially in California, you have a very good understanding of this non-profit mutual beneficial corporation. If you have not, we will be glad to educate you. This purpose of this committee will be to understand all financial aspects of the corporation, including the requirements of California law, and advise the Board on issues while assisting in educating the community "at large". Please contact me if you have any interest or would like to discuss.

Neighborhood Watch

The Board of Directors approved a Neighborhood Watch Committee last year, however, we have not had a Resident volunteer to Chair this committee. We have received the names of approximately nine (9) residents interested in being involved in this effort. However, we need a Chairperson to begin the program. We will post on the web portal and in *The View* again soliciting resident volunteers. The Indio Police Department is willing to assist with this program, so we hope to get more Resident volunteers, and someone to spearhead this very important effort. Please contact me if you are interested or would like more information. The goal of this program is to develop a reputation that this community work together to prevent criminal activity by reporting any suspicious activity immediately.

Many of you have left for the summer or are traveling. Your involvement is still encouraged. If you are interested, please contact me to discuss how we may accommodate your situation. If you are not interested at this time, please enjoy your summer travels and consider getting involved in the community some time in the future.

Enjoy your summer,
 Roxi

Question: Why don't residents follow the safety rules when walking on streets without sidewalks?

Answer: Perhaps they don't really know the rules, so here they are: Walk against traffic with your left shoulder to the left side of the street so you can see what's coming towards you. But remember if you're riding a bicycle, you follow the same safety rules as automobiles and travel on the right hand side of the street at all times.

Question: Do other residents have a right to yell at me when I'm walking my dog away from their property? My dogs are well behaved and I always clean up after them.

Answer: No resident should be yelling at anyone else unless they're yelling at them to warn them of a possible danger. Please report this to the H. O. A. office when it happens and include the address of the person if you can. Also if as a resident you see another resident not cleaning up after their dog, report that to the H. O. A. and tell where it occurred and include a description of the dog and the person. Let's all try to be responsible and considerate of others.

A word of thanks goes out to Del Webb for their \$7,000 donation toward the piano fund on Friday, May 4th at the piano fund raiser, "Enchanted Evening." The fund is growing fast, so it looks like one day soon we'll be able to have a wonderful instrument that's really ours.

Golf Course Management Has Changed

by *Leeanne Brock*
President, Sun City Shadow Hills Homeowners Association

We are excited to report that effective June 1 the management of our Shadow Hills Golf Club has changed. The course, managed since opening by Landmark Golf, is now being operated by Billy Casper Golf.

The new management company was selected after a long and thorough evaluation and interview process by Del Webb and the Resident Board Members of the Homeowners Association. The company was the unanimous choice of both Del Webb and the Resident Board Members.

Headquartered in Vienna, Virginia, Billy Casper Golf has successfully developed and managed golf courses for public agencies and private owners since 1989, and has grown into one of the most innovative and progressive golf course management companies in the nation, with more than 60 golf facilities nationwide. Though it has operations in other parts of Southern California, management of the Shadow Hills Golf

Club marks the company's entrée into the Coachella Valley.

Del Webb has a long history of golf partnership with the great Billy Casper. A legend in the golf profession, Casper won 51 Tour events including the Masters and the U.S. Open (twice). During his time on the Senior PGA Tour, Casper with his partner Greg Nash designed more than a dozen golf courses at Sun Cities nationwide, including the courses at Sun City Palm Desert.

Currently, Billy Casper Golf manages the Ashwood Golf Club in Solera at Apple Valley by Del Webb in Apple Valley, California. The company has also acquired two Sun City golf courses in the past year, Whisper Creek at Sun City Huntley in Illinois and The Lincoln Hills Club in Sun City Lincoln Hills in Northern California.

It's important to know that the change in management was the result of business factors and is not intended to reflect negatively on prior management in any way. We appreciate very much the work done on our community's behalf by Landmark Golf and we wish them much success in the future.

Check the Del Webb Live website regularly for future news and special reports about our Shadow Hills Golf Club.

Your Board of Directors is confident this change in management will continue to provide a great golfing experience to the residents of our beautiful community.

Lifestyle & Fitness Update

Evangeline Gomez
Director of Lifestyle & Fitness

Wow! We have some fierce athletes at Sun City Shadow Hills. The 2007 Del Webb Fitness Challenge took place at three Del Webb Communities (Solera Apple Valley, Solera Oak Valley and here) and I'm pleased to announce Sun City Shadow Hills came in with 6 out of 13 of the best event times and 3rd Overall in final placement. Solera Apple Valley came in 1st overall followed by Solera Oak Valley in 2nd. Check out these record times, it will give you something to train for the 2008 Del Webb Challenge. A full listing of final times and more pictures are posted on the web portal (www.oursuncityshadowhills.net).

Congratulations Athletes!

Our Grief Support Group will be starting on Tuesday, June 5 at 2 pm with a preparatory meeting. I'd sincerely like to thank Barbara Baumann for volunteering her extensive background and experience as a Grief Coach, Speaker and Author to co-facilitate this group with her husband Bill. The Grief Support Group is open to all Sun City Shadow Hills residents; you are not required to be a member to attend. If you are interested, please attend; no sign up is necessary.

Thank you to those that have expressed interest in the Hospitality Group. I will be contacting all of you in the very near future to schedule a meeting to discuss our direction. We are still taking applications, so please call or stop by to let us know if you would like to become part of this group.

Last but not least, have you checked out your Web Portal (www.oursuncityshadowhills.net) lately? What a communication tool! It's so fantastic to be able to get all the latest information right at your fingertips; in the comfort of your own home (no matter where that home

is). The Web Portal has so many great features it is hard to say which is best, according to our data the Personal Homepage is the most popular, followed closely by the Group search page. One of the features I like the best; you can print out *The View* a week earlier than we deliver it.

In closing, please attend the Lifestyle Brew for more information on events planned for the coming months. Desert Welcome will be giving a short presentation about their services directly following the June meeting. Hope to see you there, take care!

Communications Committee Report

by Andy Perler, Committee Chairman

The View wants to thank all of the residents who participated in our informal survey soliciting input on how we can improve the publication to better serve our community.

As a result of your feedback we have begun instituting the following changes:

1. Make graphic enhancements in page layout and design to make *The View* easier to read with more eye-appeal.
2. Improve the Calendar for better readability by placing it as a centerfold for easy removal, enlarging date space and font for easier readability.
3. Establish a regular segment entitled FAQ's where common homeowner questions/issues can be addressed. (I.e. street lights, design issues, etc.)
4. Use more pictures of homeowners and Lifestyle events throughout *The View* and provide captions where possible.
5. Add a regular column on Maintenance Tips to provide helpful tips on home maintenance issues like furnace upkeep, plumbing, counter care, seasonal changes, etc.
6. Look at ways to graphically enhance the Cover to capture reader interest and make the publication more eye-appealing.

Several of these recommendations have been approved and others will be instituted in future issues. Once again The Communications Committee thanks you for your input. Since *The View* is your publication, we encourage you to submit your suggestions about how we can improve *The View* by emailing me at baramp@earthlink.net.

Exercise for Arthritis

There is irrefutable evidence that exercise is beneficial for most aspects of health. Because exercise actually keeps bones, muscles, and joints healthy, it is an essential part of therapeutic approach for arthritis. Pain and stiffness of the joints tend to discourage patients from exercising. However, without exercise, joints can become even more stiff and painful.

It is important to keep muscles as strong as possible. The stronger the muscles and tissues around joints are, the better they will be able to support and protect those joints. If people do not exercise, their muscles become weaker, and their bones can become osteoporotic. Exercise pumps blood and body fluid through to the muscles, tendons and the joints, which will facilitate healing.

A study of the Tai Chi for Arthritis program was published by the Journal of Rheumatology (Sept 2003) has shown the program to be effective and safe. A group of individuals with osteoarthritis (OA) did tai chi for 12 weeks and were compared to a control group who received only standard treatment. The tai chi group reported 30% less pain and 30% improvement in their daily activities, as well as improved balance.

Tai Chi is offered in our Fitness Center at 8 am on Saturday and Monday mornings, sponsored by the Arthritis Foundation. In addition, an Arthritis Foundation sponsored class in Aqua Tai Chi (I-Chi) will be offered in our indoor pool at 10 am on Friday mornings beginning June 1st.

For more information and payment options, contact Dr. Renate Bodden at (760) 464-4718.

Make sure you are concentrating on your exercises, not talking on your cell phones. As the weather gets hotter make sure you drink enough liquids; try to drink at least 8 glasses of water a day. Staying hydrated is very important. Don't skip your meals especially if you are exercising regularly, your body needs the fuel. Even if you are not hungry try to eat a little serving of a healthy snack (fruit or vegetables).

Massages at the Montecito Clubhouse June 8 & 22

Massages this month will be on Friday, June 8 & 22; full body and chair massages are available. The chair massages are \$1 a minute, and the full body massages are held in a private room for 1 full hour at \$80.

Call to make your appointment today 772-0430; spaces are limited.

Golf Update

Golf Course Superintendent

Geoff Johansen

Recently there have been comments made about watering schedules for the golf course. I would like to take a minute and explain how those schedules come about. The watering schedules are based on a formulation that is called evapo-transpiration. Evapo-transpiration (or ET for short) is the process where the plant material or turf grass loses moisture through the various elements. Wind, sun, cloud cover, and humidity all are important factors when figuring ET. The computer irrigation system here at Shadow Hills has a weather station that constantly monitors those elements and down loads them into the computer. The computer then (from the information gathered from the weather station) determines what the ET will be for that evening. The golf maintenance team here at Shadow Hills manually downloads the information as to determine what the watering needs of the turf grass will be. We will then make percentage adjustments up or down as to what we observe in the field on any given day. Once the programs start, the computer has a given set of priorities that it follows until the irrigation cycle is complete. When the ET is raised due to weather conditions (e.g. high wind) the irrigation run cycle will be extended. If you have any questions or concerns please feel free to call me at 200-3375 ext.240.

How To Use A Driving Range

by Eric Fisher

During my career as a Golf Professional, I noticed there is an area of knowledge that most golfers do not know and that is how to use a driving range properly. If you will notice in the photo above, the divot pattern in the red box, which appears to be on big divot. That is an example of how it should look when you are done using the range.

You will notice the other divots are sporadic and each used a lot of turf. The person who created the divot pattern in the red box probably hit just as many balls, but used a lot less turf.

How you create the divot pattern that uses less turf is simple. You place your next ball directly behind the divot left from your previous shot (less than an inch). If you continue in this manner you will only use about an inch of turf with each shot, instead of up to 6 inches. Keep doing this until the one large divot you have created is 12 to 15 inches long. At this point, you start another long divot by placing a ball to the front and side of the long divot you just created.

If you have ever gone to a PGA Tour event and watched the players practice on the range, you will notice all the players use the range in this manner because they realize many of their fellow players will be using the range that day and there is only so much turf to be taking divots with. In other words, they do it because of etiquette and courtesy to their fellow players.

Covenants Committee

by Jerry Cavoretto, Committee Chair

Securitas is our provider for community patrols and gate personnel. Sun City Shadow Hills does not provide "security". We provide a restricted access entry to our community. Community Patrol is here to observe and report incidents to the HOA; they are not police officers and cannot detain anyone. They will call Indio Police Department to report suspicious activity or crimes they observe within our community. Please do not call the gate for medical assistance, call 911 first and then notify the gate that there are emergency vehicles coming. If you have the unfortunate experience of an attempted break-in or a theft, please contact the Indio Police Department to make a report.

Upon the recommendation of the Covenants Committee for safety reasons, the Board of Directors approved the installation of stop signs at the intersection of Sun City Boulevard and Camino San Mateo, and at the corner of Camino Claro and Sun City Boulevard. By the time this article appears in the View, the stop signs should be in place. You may not be aware that owners who have corner lots own the property along the wall on the side street and they must keep that area up as well as front yards. It is not common area and should be treated as private property.

Walking your dogs in Sun City Shadow Hills is something many enjoy in our beautiful surroundings. However, it is not as enjoyable for those residents who have to clean up after other's pets. Please do not allow your pets on the lots of other owners, including lawn or rock areas. Our Regulations state "Pets are not allowed on the lot of another Owner without permission and should not be allowed to soil another Owner's property. Pet owners are responsible for the removal and proper disposal of their pet's litter from Association Common Area including pet parks."

County leash laws apply in Sun City Shadow Hills as well. The Pet Park is the only area where dogs are allowed to be off leash (other than your own property).

Let's all work together and be good responsible pet neighbors!! Your neighbors will thank you.

Friday Night With Rodeo Drive!

Starting in June, Fridays will take on a new face at Shadow Hills.

Design Review

by Diane Thomas, Phil Vatore, Committee Chair

We hope by the time this article appears in the June 2007 View, the winds will be gone. We would like to stress the importance of having trees trimmed and properly staked, as many trees were lost in May due to the wind and over watering.

During our inspections, we often see water running into the gutters, grass is soggy and rocks are wet. Sprinkler timers are often left at one setting year round. Please adjust watering times accordingly. Coachella Valley Water District, www.cvwd.org is a great resource for gardening, watering times and weed control. You can also contact them by phone at 760-398-2651. The governing documents and the Design Guidelines require weekly maintenance of front and side yards. Inspections are routinely done throughout the community; volunteer homeowners conduct these inspections and provide them to the HOA staff for processing. Courtesy letters are then sent to owners requesting any corrections be done within 10 days of the date of the letter. This is done in an effort to keep our community looking beautiful and your property values high.

The Design Review Committee has recently reviewed the current Guidelines and has made some changes or additions. These amendments will be sent out soon to owners for a comment period of thirty (30) days.

Reminder: The Governing Documents of the Association require rear yard landscape to be completed within 90 days of close of escrow. All exterior home improvements must have prior approval of the Design Review Committee. Please notify all contractors that no building materials or rock can be dumped on the street or common areas.

On almost every Friday, Rodeo Drive, also known as Marilyn and Randy, will take the stage of the Montecito Clubhouse to entertain us from 4:30 to 7 pm. This will be a GREAT way to start your weekend, meet new people and still have time to go to dinner afterwards! There is a \$10.00 cover per person and drinks will be available in the room. Rodeo Drive, a longtime favorite of Shadow Hills, are well known for their renditions of everything from Broadway to Oldies; (who knows, they'll probably throw in a little opera once in a while!). In any case, the Montecito Clubhouse will be THE place to be to spend a Friday evening. This will also be a continual great opportunity for you to invite your non-Shadow Hills friends over so they can see what desert lifestyle is really all about. As if this weren't enough, there'll be a few select Fridays where we'll change it up and provide you with some surprise entertainment that's sure to please! As if the summer isn't hot enough, this is one warm up you won't want to miss. See you there!

Resident Frequently Asked Questions

by Lou Adams, Communications Committee

Q: What should you do with solicitation in the form of business cards, flyers and door hangers that are placed on your home?

A: Sun City Shadow Hills has a no soliciting policy so please don't hesitate to call the HOA office or drop the flyers off. The HOA staff calls each company and notifies them of our policy. Please do not answer the door to solicitors. The HOA is often asked how they get in, and the reply is that they usually have one appointment with a resident, then they just go door to door.

Q: What are the plans for an Emergency/Disaster Preparedness Committee?

A: The formation of an Emergency/Disaster Preparedness Committee was approved by the Board of Directors. Currently, a group of residents is working together to lay the ground work for this important committee. In the very near future they will be holding a meeting to disseminate more information to the entire community.

Q: If residents have an issue with Community Patrol what is the process of reporting or appealing?

A: Residents should report any issues to the HOA office. If you receive a citation you do not understand or agree with, contact the HOA office. If it is a complaint about a Securitas employee, please contact Sara Fenimore, Administrative Assistant to the Executive Director in the HOA office. We appreciate feedback and work directly with Securitas management to improve the level of service to our homeowners.

THURSDAY NIGHT AT THE MOVIES June 2007

The Queen June 7 103 minutes rated pg-13
After Princess Diana's shocking death, Queen Elizabeth II (Helen Mirren, in an Oscar-winning role) and Tony Blair (Michael Sheen) engage in intimate talks as Britain demands the princess be memorialized in a manner beyond standard protocol. This Oscar-nominated drama for Best Picture goes behind the scenes as the queen and prime minister try to manage Diana's death on a personal level while also dealing with a public calling for royal treatment for their beloved princess.

Something's Gotta Give June 14 128 minutes rated pg-13
Sixty and still sexy, Harry (Jack Nicholson) is having the time of his life, wining, dining and bedding women half his age. When he meets an auctioneer (Amanda Peet) and agrees to go to the Hamptons with her, he's convinced he's in for a sinfully fun weekend. Plans go awry when her playwright mother, Erica (Diane Keaton), stops in unannounced, and Harry soon discovers there's nothing wrong with -- and plenty good about -- acting your age.

As Good As It Gets June 21 128 minutes rated pg-13
Chronic grouch and acerbic author Melvin Udall (Jack Nicholson) lives in an obsessive-compulsive fog, sidestepping sidewalk cracks and rigidly following his routine of daily breakfasts in the bistro where the only waitress he'll abide is stressed-out single mother Carol Connelly (Helen Hunt). But Melvin's structured world crumbles when his gay neighbor (Greg Kinnear) needs a dog sitter, and only longtime antagonist Melvin will fill the bill. ...

Dream Girls June 28 130 minutes rated pg-13
Twenty-five years after its Broadway debut, the definitive girl-group musical, earning the most Oscar nods in 2007, finally makes its way to the screen with Bill Condon at the helm and a dream cast that includes Jamie Foxx and Beyoncé Knowles. A trio of women have high hopes for fame but end up paying a high price for it. Eddie Murphy plays James Early (in an Oscar-nominated role), and Jennifer Hudson took home the golden statuette for playing strong but slighted Effie.

NEWS ABOUT INDIO

by Dow Tunis, Our Roving Reporter

Hi there Shadow Hillites. Welcome to early summer. Don't forget your water bottles. The low humidity and desert heat can be very deceiving to your body. Perspiration evaporates very quickly, and unless you drink lots of water, you run a real risk of dehydration, which is a very serious health hazard.

AARP is holding Senior Driving Programs (55+) at the Indio Senior Center at 45222 Towne Street next to City Hall. Cost is \$10 and it lasts two afternoons per session. Well worth the time because it's very educational, and will reduce your car insurance. Call the center at 391-4170 for information and reservations.

The Terra Lago project at the end of Avenue 42 (Varner) near Dillon Road currently has a development agreement with the City to build on 440 acres. The Planning Commission has now approved an additional 331 acres to the northeast Indio project.

Centex Homes has received approval from Indio Planning to build 114 two-story homes in a development called Monte Vina, on 70 acres along Avenue 44 between Golf Center Drive and Dillon Road, north of I-10. Build-out is planned at 300 homes.

Indio Performing Arts Center (IPAC) held their first annual fundraising golf tournament at Indian Palms Club & Resort in Indio. The efforts of more than 35 valley firms, including Sun City Shadow Hills Sales Department, plus many local volunteers made it possible to add \$4,000 towards the renovation of the Indio Arts Center.

JFK Hospital needs blood. In an effort to maintain sufficient supplies of blood for the Coachella Valley, the hospital hosts the Community Blood Bank mobile unit on its campus at 47111 Monroe Street every Monday from 1 pm to 7 pm. It's a great chance to perform a service for your community.

The City Council Study Session Reviews took a first look at the proposed changes and additions to the entrance to our city on Highway 111 between Jefferson and Monroe Streets. Improvements include a stone veneer wall with artistic signage and colorful flowers that greet people as they cross Jefferson into the city. Also proposed are: Date palms and flowering trees along the street, fountain features and canopy trees along the medians and three lanes in each direction. And don't forget Polo Square along the way with its stores, hotels, condos and shops in 10-story towers spread over 50 acres. The project still needs some tweeking and may not become reality for a few years, while the city works on drainage problems and placement of medians, among other items. Overall, most in attendance felt the proposals were on track.

Avenue 42 and Jackson Street will have a Fresh and Easy

neighborhood market, which has been approved for a beer and wine license, along with a Walgreens, a JFK Memorial Hospital Urgent Care facility, restaurants, and a financial institution. The market is expected to open in November.

A sports complex and aquatic center is to be built by the city on Market Street, west of Jackson, with a fire station and a new police department headquarters on each end of the project. The concept master plan is not yet approved and is still in the planning stages. However, details include: Football/soccer fields, basketball courts, Tennis courts, Fire station, 2-3 story police headquarters with detention facilities, train system winding throughout the complex, Aquatic center with Olympic-size pool and kiddies pool. Everything will be lighted for night use.

A traffic light on Varner Road at Adams Street will be installed to regulate vehicles heading east and west on this busy road.

The Bermuda Palms Senior Estates on Highway 111 in Indio received a real shock via the mail. The owner has proposed increasing the rent on average from \$332 to \$600 a month. City Council has authorized Glenn Southard, our City Manager, to appoint a hearing officer to determine whether or not the increase is justified, and to then make a recommendation to the Indio Mobile Home Fair Practices Commission. There are 185 spaces in the park.

The Pulte Fire Station on Ave. 40, just past the Sun City Shadow Hills Golf Club, is under construction with a possible completion date of October. Another new fire station in the Terra Lago development in Northeast Indio was authorized by City Council in April of this year.

Citizens on Patrol – 25 local citizens, including two from SCSH, **Richard Arnold** and **Hillard Bear**, attended the May 2 City Council meeting. They were there to witness the presentation of certificates of completion of basic training and to receive official Police Department badges to seven new officers. The Citizens Helping Indio Police (CHIPS) as they are referred to, are the eyes and ears of the Indio Police Department.; they are in constant contact with the headquarters dispatcher as they patrol the streets in the City of Indio.

Marriott Hotel Cleans Up—over 100 employees of the Marriott Desert Springs Resort spent the better part of a recent Saturday cleaning up trash at an Indio location that is scheduled to be a future site of a police station. The volunteers filled six industrial dumpsters with trash. How's that for great neighbors?

Attend a City Council Meeting! After receiving numerous phone calls from fellow Shadow Hillites, your reporter addressed the Council on May 2 regarding the ingress and egress ramps at Highway 111 and Jefferson. By chance, Mayor Ben Godfrey and City Manager Glenn Southard had discussed the problem earlier in the day. They are looking into ways to reduce speed and make it safer to enter and exit the freeway while we wait for Caltrans to begin the new interchange in 2009.

Please feel free to call me with any questions at 200-5996.

Be Prepared

by Dow Tunis

Due to numerous requests by our residents and several of our charter clubs, I am repeating an article I wrote for *The View* in December, 2005.

Experts keep reminding us that “The Big One” will happen! California’s two most powerful faults, the San Andreas and the San Jacinto, slice right through the Coachella Valley. A major eruption of the southern stretch of the San Andreas has been expected by experts for more than 20 years. Seismologists believe this section of the fault, which weaves from the Cajon Pass to the Salton Sea, is capable of at least a 7.5 earthquake. Other experts consider the possibility of an 8.0 or greater quake occurring.

Everyone agrees on one thing – Your chances for navigating a disaster successfully can be most improved by one person – YOU! Being ready for a crisis means more than just keeping checklists. Being able to cope with the first few days after a natural disaster might not be enough. Here are a few tips on how to get ready and stay ready.

PLAN ON A LONGER STAY

Emergency officials now say three days are not enough. Be prepared to be on your own for a week to ten days. Supply kits should be in cars and homes, and should include:

AT HOME

Water, Water, Water. A gallon of water per person per day (replace every six months and count pets as family members)
Nonperishable packaged or canned foods
Manual can opener
First aid kit and handbook
Clothing, rain gear and sturdy shoes and socks
Blankets and/or sleeping bags
Portable radio and flashlight with spare batteries

Essential medications
List of family physicians
Style and serial number of medical devices (i.e. pacemakers)
Extra pair of eyeglasses
Extra set of house and car keys
Toilet paper, toiletries and hygiene items
Fire extinguisher
Pet food, water and leash or carrier
Cash (one dollar bills and small change)
Water purification kit or unscented liquid bleach (8 drops per gallon when water first stored)
Any special foods or supplies for the disabled or elderly
Plastic eating utensils, paper cups and plates
Heavy-duty aluminum foil
Paper towels
Knife and razor blades
Candles and light sticks
Matches in waterproof container
Work gloves and broom
Hammer and nails
Coils of rope and wire
Ax, crowbar and shovel
Small tool kit
Cheesecloth (to strain water)
Large and small plastic bags
Two tarps (8’ by 10’)
Local street map and compass
Paper, pens and stamps
Entertainment pack (notebooks, reading material, games)
Whistle (to signal for help)
Camp stove and fuel (or BBQ)

IN THE CAR

Nylon tote or day pack
Bottled water
Nonperishable food (canned, candy bars, dried fruit, crackers)
Manual can opener
Transistor radio, flashlight and extra batteries
First aid kit
Gloves, blankets or sleeping bags
Sealable plastic bags
Moist towelettes
Small tool kit
Matches and lighter
Walking shoes and extra socks

Change of clothes
Cash (small bills and coins)
Local street map and compass

COMMUNICATE NOW

Choose an out-of-state friend or relative whom family members can call after a disaster so you can report your whereabouts and condition.

Decide how and where your family will be reunited.

Know the safe and dangerous locations in each room. Sturdy tables, desks or standing against interior walls is safer. Standing near windows, mirrors, hanging objects, fireplaces, and tall unsecured furniture is dangerous.

PRACTICE POST-CRISIS STEPS

Learn how to shut off gas, water, and electricity in case the lines are damaged.

Learn how to use text messaging on your cell phone because sometimes it will work when the phone doesn’t.

TEACH YOURSELF TO BE READY NOW

Take CPR training and Red Cross first aid

Watch for and attend community workshops or Emergency Preparedness seminars

Don’t just make a list, prepare your emergency kits for your car and home now and keep them updated

Join our local citizens group that will be working on organizing our community to be self-sufficient during an emergency

Check into cabinet door latches to keep glassware secure during a quake and leather wall straps for tall furniture

If you are interested in getting involved in our community disaster preparedness, contact Erica Hedlund at 200-1939.

From the Sales Team

by Gary Loebig

Wouldn't you like the opportunity to get paid to choose your neighbors? Well, here is your chance. Now is the time to bring your friends and family to the Sales Pavilion, as you will earn \$1,000 for every referral who buys a new home in our community.

Good friends make great neighbors, so call everyone you know that may be interested in Sun City Shadow Hills and bring the referral form into the sales office.

This offer is available for contracts written between May 1, 2007 and December 31, 2007. See a Sales Associate for complete details, and start making money for your referrals.

CHARTERED CLUBS

BILLIARDS CLUB

Bill Price 345-3566

Billiards is fun. Try it, you'll like it. We are always open for new players. We play on Wednesday evenings at 7 pm for open play. Bring your friends and neighbors. We played our first tournament in April. **Gil Belfatto**

came in first and **Bettelou Robinson** was second. Our tournaments are held the first Wednesday of each month instead of regular play at 7 pm. A table is always left open for those who decline to take part in the competition. Our second tournament was held May 2 and **Don Salvatore** won it with **Bettelou Robinson** 2nd and **Jack Lacey** third. Dues are \$5.00 per year. Come join us for a great evening. For further information call **Bill Price** at 345-3566 or **Jack Lacey** at 360-3578.

BRIDGE CLUB

Paul Nilson 469-3420

The Bridge Club meets every Thursday evening from 6:30 pm to 9 pm in the Montecito Clubhouse. Players of all bridge abilities are welcome; you do not need a partner to come to bridge! The purpose of our club is to meet other players and have fun playing bridge. We look forward to welcoming more players as new residents move into Sun City Shadow Hills. Our bridge membership fee is \$10.00 per fiscal year; there is no additional cost to play. On the first, third and fifth Thursdays of the month we play bridge dealing four hands at a table, then the high score players move up to a new table, and everyone at each table changes partners. On the second and fourth Thursdays of each month we play bridge keeping the same partner and foursome for the entire evening to play rubber bridge!

The Bridge Board meets quarterly and we sometimes have a short business meeting just prior to playing bridge. If you are interested in learning about free bridge lessons or have any questions please contact **Paul Nilson** at 469-3420 or **Al Barish** at 772-9409. Some of our bridge players will be missed as they leave us for the summer, but the rest of us will keep "cool" on Thursday nights playing bridge here! So come socialize, play bridge and maybe bid and make a grand slam.

COMPUTER CLUB

Mel Klein 834-0210

The Sun City Shadow Hills Computer Club met on May 14; a program was presented by a representative of MICROS Systems. MICROS Systems is the leader in Hospitality and Lodging POS Systems. When we dine out, the restaurant may be using a MICROS System to log our food and beverage orders. The SCSHCC's next monthly meeting will be Monday, September 10. We have no meetings in the June, July and August. We will resume meetings in the fall with more guest speakers and a full complement of computer classes for our members. The SCSHCC invites new members to attend. The Membership fee of \$10 per calendar year may be paid at the door. Our email is: SCSHCC@gmail.com

CREATIVE ARTS

Bobbie Shafer 772 -2477

The water color class is complete and soon we will be planning our fall schedule. **Fred Ashley** has offered to conduct a beginning water color class in the fall. For all of us who would like a class in the basics, this is a great idea. Thank you **Fred** and we look forward to it. **Linda Wolf** has also offered to give us some instruction on techniques in oil which I am looking forward to. It sounds like we will have a busy year in 2008. Our group is so big and talented but there is always room for more artists. We are a fun group so all you artists out there should get mobile. You don't know what you are missing. Hope you are enjoying the "Artist of the Month" series. Remember, if you are interested in the work of a particular artist you may contact them directly or call me (Bobbie) at 772-2477 and I will put you in touch. You may also call me if you have any questions about the group and how to join. We will continue to get together on Mondays from 1 pm to 4 pm and Thursdays from 9 am to 12 pm throughout the summer.

DESERT LIFE

Debbie Council 360-9331

It's our Second Anniversary Gala and you won't want to miss the fun at Woodhaven Country Club on June 19! Our lunch will be a triple salad buffet featuring Cobb, Chinese chicken and Greek salads plus a yummy dessert. We will be installing our 2007-2008 officers. We also sponsor a Tea at 2 on Tuesday, June 12 at the Montecito Clubhouse to welcome new members and answer questions. No reservations are required for the Tea and everyone is welcome! The cost of the lunch is \$17 for members and guests. Checks only (no cash) should be made to SCSH Desert Life. These may be turned into the Lifestyle Department or at the Tea on June 12, which

is the deadline. Please list cultural and food allergies only on your check. If you have purchased a ticket and find you can't attend please call **PJ Nilson** (4693420) as we have a waiting list and someone else would like to purchase your ticket. New residents are welcome to attend one lunch before becoming a member. Yearly dues of \$10 will be due in July and should be paid by separate check, either at the Tea or drop at the Lifestyle desk. Please write on the check "2007-2008 dues." Thanks! Desert Life meets throughout the summer and we have some great programs planned so don't miss out! There are fewer of us in the summer so it's easier to meet new friends and win more prizes!! For questions or information call **Debbie Council** or **Criss Kieffer** at 345-7551.

HAPPY TAPPERS CLUB

Linda Sage 567-3245

Happy Tappers recently wrapped up a wonderful year of dancing. **Lorna Thompson**, our very capable teacher, lead us all year into the grand finale, our recital. **Lorna** is a wonderful teacher. She's appreciated by all. We are lucky she will continue with us next fall. On April 28, our president, **Gayle Stern**, spoke at our final luncheon after the dance recital about the history of the group here at Sun City Shadow Hills. **Gayle** is our Happy Tappers'

pioneer. We want to thank her for starting this group a few short years ago. We will take time off for the summer. Our first lesson in the fall will be Saturday, October 6 at 10 am. We would like to welcome new members. Dues will be \$10.00 for the 2007-2008 year. Our tap dancing lessons are \$25.00 per month. We will begin collecting dues in October. For information you can contact the following: **Linda Sage**, **Mary LaBarre** 775-7062 or **Nancy Angus** 238-4582.

KINGS & QUEENS CARD CLUB

Ben Weissbach 702-7159

The Kings and Queens Card Club has begun its new night of social card games, Wednesday evenings, from 6 pm to 10 pm. I know all of you at Sun City Shadow Hills love to play cards. Our club plays many different card games: gin rummy, pinochle, hearts, bridge, and canasta. If that doesn't satisfy you, we'll even play a card game you choose to enjoy and add to our list of games. If you miss playing with friends, join us at the Montecito Clubhouse to have a fun evening and meet lots of nice people. **Al Barish** is our resident social card director. He plays; he teaches; he'll even sit and just talk to you. It doesn't even have to be about cards. That's because this is more of a social gathering for

residents to enjoy on Wednesday evenings. The club provides the cards, the score sheets and the pencils, and plenty of tables and chairs so no one is left out. Join us in the evening and meet other nice people from your community. Don't forget to tell your friends and bring them to the clubhouse with you. The more people we have, the more fun everyone will have. When one game becomes more popular than another then we will schedule tournaments to everyone's enjoyment. Remember, Wednesday evenings at 6 pm is the start of our new schedule. There is no poker played on Wednesdays. Tuesday evenings are our regular scheduled evenings for poker.

LADY PUTTERS

Nancy Angus 238-4582

Monday, June 4, is the start of the summer playing season of the SCSH Lady Putters Club. All resident ladies are welcome to join us. All you need is a putter, a golf ball and the \$2.00 weekly playing fee (and a hat or visor, and a bottle of water, are recommended for your

comfort). We gather Monday mornings, starting 7:15 am, on the rear patio of the Montecito Clubhouse; we tee-off at 8 am sharp. Our last event of the 2006/2007 official playing season will be a luncheon on June 4 at 12 noon. We look forward to another delicious buffet by Desert Cities Caterers, followed by the awarding of birdie pins earned through the last official play date (May 21), and the installation of the new officers who were elected May 7 to lead the club in 2007/2008: **Nancy Angus**, President; **Nancy Denier**, Vice President; **Peg Bradish**, Secretary; **Evelyn Nicholson**, Treasurer; and **Carrie Vollaro**, Statistician. We had several special events in April: An "In Your Easter Bonnet" tournament, a business meeting and coffee, and a "Pick Your Partner" day. Check out our web page for the April events article and photos. Also included is information on April's low scorers, and we'll continue to post low gross and net scores on our web page each month. Please contact **Nancy Angus** with any questions about the club.

MAH JONGG

Eileen Gaske 200-9912

Mah Jongg is a Chinese tile game. The game is fun, challenging, easy to learn ("THEY" say it is good for our brain cells) and a great way to meet new people, have

laughs and socialize. We have over 50 members and welcome more. We have about 10 to 15 tables each week. This means lots of different levels of players, so everyone is welcome to join. I am looking forward to a fun season and welcome everyone's ideas. We meet on Wednesdays and start to play at 12:30 pm and many have lunch at the golf restaurant at 11:30 am. It's a great time to meet new people. See you on Wednesdays.

MEN'S GOLF

Chris Bryant 772-4272

The Men's Golf Club continues to be very active and welcomes all the new members. In spite of the warmer weather, the Thursday play still attracts a good number of golfers playing a different format each week. We hope you have noticed the increased number of boxes for broken tees. A special thank you to **Eric Fisher** for his promise to have them on all the holes. During April, the SCGA toured, played and re-rated the course. **Marv Sage**, Handicap Chairman, will be presenting new hole ratings to **Eric Fisher**. During the general membership meeting, the members voted to play from white tees for all club events. Hope all you gentlemen sign up for the upcoming women's club pairing scheduled for May 31, 2007. We're still looking for more volunteers for assignments to the membership, newsletter, rules and greens/maintenance committees. Anyone interested should call **Chris Bryant** at 772-4272 or email cbryant@bryantgrp.com. Thank you to Robert's Handyman Service for donating pull-out shelves for closest to the pin over a four week period. Congratulations to **Gary Ditch, John Delaney, Harry Denier, Bob Rizzardi, John Farrell, Peter Anderson, Lonnie Leeds** and **Roger Martin**. The most improved golfers this past year include **Rick Hill, Ron Pearsall, Terry Johnson** and **Denny Nelson**. A special get well to **Denny Nelson** who had by-pass surgery in April. See you on the links.

OKE-DOKEY KARAOKE

Richard Arnold 772-0094

Our Oke Dokey Extravaganza was a sell out! It was a fun and fast paced evening with plenty of singing, skits, food, and merriment. I want to say thank you to our wonderful, gracious volunteers and skit presenters. It was a large event and

you were a big part of our success. A little evening's trivia; we served a sit down supper in 10 minutes. That was amazing!

Congratulations and welcome to our new officers: President, **Richard Arnold**; Vice President, **Judy Arnold**; Secretary, **Hilliard Bear**; Treasurer, **Carolyn Little** and Auditor, **Joanie Hamilton**. Thanks to the Oke Dokey volunteer support, the first golf course restaurant karaoke event was a success. It was carried well by our members. **Sandy**, the Restaurant Manager, provided a special little menu of snack foods that were as tasty as they were reasonable. Let us spread the word and get the community to join the fun and help support our restaurant. Our Wednesday, May 30 meeting was a party of parties with the new officers being installed, fun singing and delicious food. We will be dark for the summer. I wish you all a wonderful summer with a song in your heart and on your lips. Thank you all for a wonderful tenure as Founder and President of our club, **Carolyn "Tahlulah" Little**.

PAN CLUB

Gina Crespini 343-7776

The Pan Club is going great with games on Monday evening at 6:30 pm and Thursday afternoons at 12:30 pm in the Montecito Clubhouse. Our advanced players are looking for more players to fill Monday night games. If you are looking for players to form regular games, please stop by the clubhouse and we will try to help you get organized. We have beginners, intermediate and advanced players. If anyone wants to learn this fun card game, call **Dolores Beniker** at 200-3355. In order to reach members in a timely manner and to keep you up to date on Pan club news, please send your current email address to: judy41@aol.com.

PERFORMING ARTS

Gloria Lash 393-8541

The long, hot summer (good title for a play!) is upon us and this club will take a brief break to cool off; however, a few committee meetings may be called during the summer to work on the ambitious season ahead. Before we make mention of the upcoming events, we'd like to express much gratitude to the outgoing board, **Phil Mastrelli, Gloria Lash, Carolyn Little** and **Judy Arnold** and all the active members without whose hard work and dedication we could never have achieved the success we did. Applause for the work-a-bees! Welcome to the incoming President, **Gloria Lash**, Vice-President, **Paul Runyon**, Secretary, **Pat Rosandich**, and Treasurer, **Joannie Hamilton**. All residents who would like to be involved in our next show are invited to attend the next general meeting in September, exact date to be announced. At the monthly general meetings you can pick up pointers on what goes on behind the scenes, try your hand at acting or singing and above all, have fun. Be part of the team that will present "The Carr Family sings Broadway and More" October 20, "Let Us Entertain You - Part

2,” community talent show November 17 and 18; “The Odd Couple” January 24, 25, 26; a March concert to be announced and a Broadway-style musical April 25, 26, 27. Accepting names now for those who want to be part of the community talent show. Please check this column and the Shadow Hills web portal for our meeting dates and other announcements. Have a cool summer!

PET CLUB

Janice Dunn 200-9965

The Pet Club has had an active and productive season and has recently elected a new slate of officers for next year. I will continue as President and **Steve Parker** will also continue as Vice President. We thank you for your vote of confidence as we pledge to continue our role as pet advocates and devote our energies to creating a healthy and safe environment for our pets. The Club will break for the summer months, but we promise a spirited agenda beginning next fall reflecting the feedback we have received from members which will include a combination of informative speakers, pet activities, fundraisers and social potlucks. Thanks to all of you who have volunteered this past year, especially our human pooper-scoopers, the chili cook-off volunteers, the photo ID helpers and photographers, outgoing Board members, and committee chairs. You all helped in making our club so very special. We have successfully completed our Pet Photo and I.D Project that will help identify lost pets in the community and are exploring the implementation of a pet chip program to be launched next fall. For the past several months we have been in dialogue with Pulte and the HOA to improve the pet park to avoid a total redesign of the area. Have a great summer – see you at the Pet Park! **Janice Dunn**, President.

OPERA CLUB

Phyllis Tunis 200-5996

This will be our last meeting before our summer hiatus. We are taking a break from our usual format by starting one hour earlier on Wednesday, June 6 at 5 pm and then partaking in a pot luck dinner. After dinner, we will be viewing a short one act opera by PUCCINI, SOUR ANGELICA. In this opera, we will see how all that we have learned helps us not only in the enjoyment of opera, but gives us a deeper understanding and appreciation of this art form. I want to take this opportunity to thank our wonderful teacher, **Joe Cifarelli**. **Joe's** enthusiasm is so contagious and his knowledge of Opera is unsurpassed. We are so fortunate to have you Joe! I thank you as do all of our members. Potluck suggestions, main dish, salad, casseroles, fruit, pizza. The club will provide coffee, dessert and paper products.

RV CLUB

Carol & Jack Dorler 200-3255

The summer months are nearing, several members will be taking their RV's to cooler climate. Our meetings will be back starting in October, the first Wednesday of each month at 6:30 pm. There will be a meeting this month June 6. We had a great time in Mission Bay RV Resort; looking forward to Chula Vista. By the time you get this notice, we'll have already taken that trip. June 11 we'll be heading to Silent Valley; call **Jack and Carol Dorler** if you are interested. Be sure to check the portal for the added news and picture gallery. There are trips planned for the months of October through March and we will keep everyone informed as we get dates and cost. Our dues are \$10 per person, and if you join after June 30 the cost will be only \$5 per person. Please call **Jack Dorler** 217-5099 or **John Rosandich** 343-0783.

READERS INK BOOK CLUB

Caroline Smith 345-4092

We meet from 2 pm to 4 pm at the Montecito Clubhouse on the fourth Tuesday of the month. For our June 26 meeting, we have selected *The Wife* by Meg Wolitzer. “After reading the first few pages, readers understand that “happily ever after” is not part of this story. But most will not grasp the full extent of this one wife’s reality until the very end of the story. It is a surprise ending that will startle the most intuitive readers. Wolitzer proves herself a crafty and deft author with her ability to distract her reader from the core of this story. For those who like to read ahead, our July selection is “The Thirteenth Tale” by Diane Setterfield. For further information, contact **Caroline Smith** at cw_gmsmith@verizon.net or 345-4092.

SOLOS

Marilyn Hodges 345-1899

Welcome all Singles. Our monthly meetings are the third Sunday of each month, at 5 pm in the Montecito Clubhouse. Another on-going activity is meeting for cocktails and networking each Friday afternoon at the Golf Club Restaurant at 4 pm. This is such a fun time to come out and meet other members of our group. Just stop by the table, introduce yourself, and enjoy meeting new friends. Or, if you prefer, let the hostess or waiter know you would like to meet some Solos, and we will be sure to find you. Recent activities have included attending a dinner dance with the Palm Desert Solos April 27, a trip to The Follies on April

STITCH IN TIME

Barbara Graham
469-3529

Our table at the Spring Fling in April was a huge success. Everyone loved and purchased

many of our hand-made items. A big “thank you” to those members who donated their share of the proceeds to our club. We’ve been busy making fun and interesting things. We have members quilting, crocheting, knitting purses, sweaters, scarves and other things as well as hooking rugs, beading and doing crafts of all kinds. We are happy to teach others, so if you have not knitted, crocheted or quilted for years, don’t worry, we will help refresh your memory. We will not have any projects or outings in July and August; however, the Cambria room will be open on Mondays, 12:30 pm to 3 pm for anyone who wants to come and work and chat. Non-members are invited and may join the club in September. We need suggestions for places to go on our outings, such as new fabric or yarn shops or other events. If you have any ideas, please let Barbara or Vicki know. We had our “Farewell for the Summer” luncheon on May 21 at the Golf Club Restaurant and enjoyed the food and good time together. Don’t know what to do with your leftover fabric or your extra yarn? Donate them to Stitch In Time. Call **Barbara** at 469-3529 or **Vicki** at 200-5072. Stitch In Time has its own site on the SCSH web portal where our members may view our calendar and club activities.

SCSH GAMES PLUS

Carol Dorler 200-3255

On Friday, June 8, we’ll be having the grand finale playing the games you enjoy most - Mexican Train, Scrabble, Rummikub, Trivia, and Battle of the Sexes. Last chance to enjoy a fun filled evening with games, dinner, dessert and beverage. The cost will be \$10 per person and you can register at the Lifestyle Desk. Please make your check out to

SCSH Games Plus. Call **Carol Dorler** at 953-3224 or **Sue Curran** at 200-4848.

SCSH TENNIS

Judy Chow 469-5641

We would like to say a huge thank you to **Carol Rawls** and **Olympia Greer** for all their work in starting the tennis club and holding clinics and growing the

membership. The new officers are **Judy Chow**, President; **Angela Fiori**, Vice President; **Keron Gustafson**, Secretary; **Frank Molnar**, Treasurer; **Gabriel Brias**, Membership Chairman and **Andre Guay**, Adviser to the Board. The tennis season has rolled down for the summer. However, starting around the first of October we will be back to almost full force. Club tournaments, ladders, clinics, socials, etc. will be offered to club members, so we encourage everyone who participates on Ladies Day and Men’s Day to join the tennis club. We encourage all to use the ball machine and call other members to set up games. We have updated our rosters and will try to make them available at the tennis courts. Starting June 1, the summer hours are as follows: 7 am to 9:30 a.m.

- Monday, Ladies Day Courts 2, 3 & 4
- Tuesday, Men’s Day Courts 2 & 3
- Wednesday, Mixed Doubles 7 pm to 9 pm Courts 2, 3 & 4
- Thursday, Men’s Day Courts 2 & 3
- Friday, Ladies Day Courts 2 & 3
- Saturday, Men’s Day Courts 2, 3 & 4
- Sunday, Mixed Doubles Courts 2 & 3

TABLE TENNIS

Vern Poore 485-5548

The SCSH Table Tennis Club is now a Chartered Club. We purchased a table and will accept contributions from members towards the cost of the table. The time allotted for our members to play is once a week on Friday afternoons from 3 pm to 7 pm. If you

have a paddle, please bring it along. The annual dues are \$10. For those who want to learn to play, please stop by and see what it is all about. **Vern Poore**, President will provide free lessons individually or in small groups after the regular members have finished playing.

TOPICAL DISCUSSION CLUB

Al Barish 772-9409

We're happy to announce that the Topical Discussion Club is a fully sanctioned Sun City Shadows Hills Chartered Club. We meet every other Monday night from 7 pm to 9 pm in the Montecito clubhouse. Our schedule for June begins on Monday, June 4, followed in two weeks on June 18. The membership votes on the topics of discussion. If you enjoy discussing and/or listening to other opinions, then this is the place for you. We want you to be a part of the discussions. Come, participate and have a good time. For more information, call **Al Barish** or **Ben Weissbach** at 760-702-7159.

TUTTA BELLA VINO

(All Beautiful Wine)

Bill Berry 345-9689

Wednesday, June 13,
Tutta Bella Vino is having a Wine Seminar and Tasting in the Montecito Ballroom from 7 pm to 9 pm. **Christine Nichols**, a

wine event planner from "Wine with Christine," will give a presentation using reds and whites to sharpen our wine IQ. Areas to be covered are wine characteristics, wine terminology, wine aroma wheel, temperatures for storing and serving wine and corks: Screw cap versus cork. Besides tasting wine, **Christine's** seminar will allow members to ask any of those odd-ball questions, such as, "Why do some wines have more tannins or how they play a role in different red varieties?" or another mystery for novices, "How can you recognize that elusive oak or non oaked quality in different white varieties?" For everyone who wants to just know how to read a label, or to enjoy tasting by using the different steps from swirling the glass, smelling, tasting and judging wine characteristics, **Christine** will be your tasting guide. The cost for the Wine Seminar and Tasting is \$15 per person and includes your seminar instruction, wine tastings and cheese plate. All residents are welcome to join Tutta Bella Vino members to come and add to your wine IQ. Check-in is at 6:45 pm; seminar/tasting will start at 7 pm. Checks are payable to SCSH Tutta Bella Vino; fill out the registration form at the Lifestyle desk by June 11. Bring a new neighbor, friend or house guest and, of course, those "always wanted to know, but were afraid to ask" questions for **Christine**.

WOMEN'S GOLF

Nancy Maxwell 345-0551

The Women's Golf Club special event for April was filled to capacity, as we celebrated our first Annual Member-Guest Invitational Tournament, SPRING FLING." Tournament Chairs; **Joan Culler** and **Jo Psomas** did an outstanding job putting this event together with 84 participants. A wonderfully tasty luncheon was catered and served in the Montecito Clubhouse following play. A drawing was held for several donated prizes from local merchants. Last but not least, here are the winners in the tournament who received gift certificates as their awards.

A big Thank You to all those who helped to make this a very successful event for the Ladies. Congratulations to **Grace Hutchings** for being our "Ace of the Month" for April. She received a Pro Shop gift certificate. Another first for our club! We have been accepted into the "Desert Foxes" which is a summer league here in our valley. This is quite an honor, and it allows the participants to play many different courses throughout the summer. Contact **Karen Roche** at 772-0112 if you are interested. Alas! Our season is winding down, and we are saying goodbye by for the summer to many friends. However, play will continue for those that are here. Sign-up sheets will be up on the bulletin board for Tuesday and Friday tee times. Have a great summer everyone, and we'll look forward to our 2007-2008 season.

Alpine Christmas

December 5, 2007 - December 12, 2007

Celebrate the holiday season Alpine style. On this great itinerary, you'll spend six nights in one hotel in the heart of Austria, and explore the Christmas markets of Austria and southern Bavaria. Highlights of your tour include a picture stop of the fairytale-like Neuschwanstein Castle which is even more magical during the holidays; a visit to Wies Church, proclaimed a World Heritage Site; and the small town of Oberammergau, which owes its fame to the internationally-known Passion Play, performed only every ten years. Explore the scenic cities of Innsbruck, Munich and Salzburg with informative tours in each location. In Salzburg, savor a delightful dinner at the centuries-old St. Peter's Restaurant. This tour includes plenty of independent time for shopping the wonderful Christmas markets found in these lovely cities where you are sure to return home with one-of-a-kind treasures for you or those on your gift list.

Day 1: Overnight Flight

Welcome as you join Collette Vacations in exploring the traditional Christmas markets of Austria and southern Bavaria. Your journey begins with an overnight flight to Germany.

Day 2: Arrive Innsbruck, Austria - Tour Begins

Your tour begins in the beautiful city of Innsbruck, located in the state of Tyrol. This evening, join your fellow travelers for a welcome dinner. Today dinner is included.

Day 3: Innsbruck

A local guide leads a panoramic Innsbruck city tour of the highlights of the town: Maria Theresienstrasse, the Hofburg, and the "Golden Roof," all set against the backdrop of the lovely Austrian Alps. The remainder of the day is at leisure for you to explore this beautiful city, its wonderful Christmas Market, and its many unique specialty shops. Today breakfast is included.

Day 4: Innsbruck - Munich - Innsbruck

This morning you return to Munich. Upon arrival, enjoy a panoramic tour featuring the Marienplatz, the Glockenspiel and Olympic Park. The remainder of your day is at leisure to explore Munich's lovely historic area. Tonight's dinner is at a popular local restaurant. Today breakfast and dinner are included.

Day 5: Innsbruck - Oberammergau - Innsbruck

A delightful day of sightseeing awaits you. You begin with a scenic picture stop of the fairy tale Neuschwanstein Castle - its turrets

and pinnacles create a dream-like atmosphere. Next, visit Wies Church, proclaimed a World Heritage Site, before proceeding to Oberammergau. This small town of craftsmen owes its fame to the internationally-known Passion Play, performed only once every ten years. Upon arrival, enjoy a brief orientation tour of this quaint, picturesque village. Today breakfast is included.

Day 6: Innsbruck - Salzburg - Innsbruck

Travel through the picturesque Austrian countryside to Salzburg, a city filled with beautiful gardens and wondrous architecture. Upon arrival, enjoy a leisurely-paced walking tour featuring Mirabell Gardens (seen in the Sound of Music), the quaint Getreidegasse (site of Mozart's birthplace), and many other highlights of this beautiful city. The afternoon is at leisure to explore and enjoy Salzburg's fabulous Christmas market. Your day concludes with a delightful dinner at the centuries-old St. Peter's Restaurant, located in the historic city center. Today breakfast and dinner are included.

Day 7: Innsbruck

Your day is at leisure to relax, explore Innsbruck's hidden treasures, or return to the Christmas markets for some last-minute shopping. This evening, join your fellow travelers for a farewell dinner, celebrating the end of a wonderful trip. Today breakfast and dinner are included.

Day 8: Innsbruck - Tour Ends

Your tour ends in Innsbruck this morning. Today breakfast is included.

Artist of the Month

Linda Wolf

Growing up in Michigan, Linda Wolf enjoyed the natural beauty of the forests, native wildlife, plants and Lake Michigan. Her family relocated to Southern California in the mid 1950's. Linda did not get seriously interested in art until high school. In her senior year, she studied color and design on Saturdays at Chouinard Art Institute in Los Angeles and was awarded an art scholarship to Marymount College, Los Angeles. Upon graduation she attended Marymount and also Citrus College. As an art major she learned the basics and art history, and received her AA degree in 1963. She married in 1964, and enrolled in California State University Long Beach in 1966 when her husband was discharged from the Navy. She received a BASW in 1968 and began a 24 year career in Social Welfare that spanned Los Angeles and Orange Counties. Linda took oil painting classes in the late 1970's to learn the medium and to develop her personal style. She retired from her career in community service in 1994, due to experiencing chronic pain related to severe arthritis and fibromyalgia. Surgeries followed and pain persisted, and she continued to paint on a limited basis. In April 2006, she underwent a nerve cauterization procedure which alleviated most of the pain that she experienced when drawing or painting. Shortly after that she and her husband moved to Sun City Shadow Hills and she has happily devoted most of her energy to painting. Her favorite subject is landscapes.

INTEREST GROUPS & Classes

CHORAL GROUP

We're looking for people who'd like to raise their voices in song. We want to form a Shadow Hills choral group we'll call Happy Voices that will not be religious in nature or favor any particular spiritual path. We're looking for both willing singers (no choral experience necessary although certainly welcome) as well as someone who will step forward to lead the group (some experience welcome). Singing, whether alone or with others, is a major boost to your well-being; it actually enhances mood, memory and the immune system as well as easing stress (see Los Angeles Times Health Section article April 23, 2007). So if you're either a willing singer or a leader of singers, and you'd like to be a part of this joyful endeavor, please contact Sue Haffley Fails at 760-345-0286.
