Greetings Sun City Shadow Hills:

This letter is being sent as acknowledgement and appreciation for your willingness to offer your facility as a Polling Place for the **May 12, 2020, Special Vacancy Mail Ballot Election.**

As a result of the effects of the Coronavirus (COVID-19) and the resulting safeguards put into place by California's Governor as well as the Riverside County Director of Public Health, the method the Riverside County Registrar of Voters is using to administer the election will be an all mail ballot election. Therefore, the need for Polling Places will not be necessary.

We would like to thank you for making your site available. Your assistance ensures the citizens in your area the opportunity to exercise their fundamental right to vote.

If you have any questions, please do not hesitate to contact the Election Officers and Polls Division at (951) 486-7341 or (877) 663-9906 (toll free), or, you can email us directly at Rovpolls@rivco.org.

Sincerely,

Election Officers & Polls Division
Riverside County Registrar of Voters
