* All inquiries to the toll-free number must be made by a person who is named on the account. All pricing and information shown here is subject to change and may vary for existing customers.

† Speeds may require additional equipment devices that are not included in your bulk agreement. Additionally, higher data speeds will require an Ethernet connection between your Optical Network Terminal (ONT) and your router, which may require installation at a separate cost if your home is not Ethernet equipped. Please check with your representative when placing your order for specific details.

^ Identity Security Bundle applies to 10 devices, and covers one user for each of identity protection and Secure PWD Password services. Additional Identity Protection and Secure PWD Password services may be purchased at \$9.99/mo and \$5.99/mo respectively, with the current Internet plan, for each user. Frontier does not warrant that the service will be error-free or uninterrupted. Must be 18 years or older to qualify for Identity Protection Services.
