## Price Adjustments and Refunds

\*Prices reflect a 50% increase (from \$4 per class to \$6 per class) due to reduced class sizes.

\*The Annual Fitness Class Pass and other discounted pass options will be discontinued until further notice.

\*Due to Public Health guidelines, each class will be offered in small group formats (10-12 people per class) with outdoor class options available.

\*All 2020 Annual Fitness Class Pass holders are currently in the process of being refunded a prorated amount (\$212.86) from the time of closure to the end of the year (March 12, 2020 - December 31, 2020). The Board is reviewing the refund options for all 10-class Pass holders and will provide an update soon.
