Meeting opened at 2:00 PM

Connie introduced Lauren Tijerina the new staff member at the Lifestyle Department. Connie gave a quick overview to John our Liaison on how the committee operates and Pamela followed up by expressing the importance of confidentiality of all planned events until they are approved and ready to publish to the community.

Connie inquired any information on moving into the yellow tier and if anyone had any updates. John stated that we are still in orange tier and we will be following local county guidelines not the CDC guidelines. That also goes for the outdoor comedy event that will occur on May 21st 2021

OLD BUSINESS

Stay Connected

Connie had mentioned there was an individual who asked if the Stay Connected website can be continued for those who are introverts and do not go out or participate in the events. It is agreed to continue with staying connected with virtual comedy shows from YouTube and other virtual activities of interest. Jerry Irwin has a video which he will provide to Lifestyle.

Waiver Update

As of now the waiver is still under 28 day review. John was excited about the waiver almost being ready to be presented and getting rid of the antiquated format of a collection of waivers which ultimately will go into one database. One waiver will accommodate all activities.

NEW BUSINESS

Clubs

The county is still in orange tier and it is still undecided when the county will be moving into yellow tier. Most clubs are not meeting due to capacity restrictions and not wanting to wear masks. Some clubs are meeting outdoors and there are clubs who are meeting indoors while wearing their mask.

Friday Night Funnies

Friday Night Funnies is confirmed for May 21st 2021. John stated we will be following State and county guidelines not CDC guidelines. Masks are required unless attendees are actively drinking and eating along with 6ft distance from those who are not in your party or household. Connie will provide masks for those who forget their masks. Snacks / nonalcoholic beverages are allowed. Connie stated that if it too windy outside that the event will be moved inside into the ballroom.

Shred it

Shred it is confirmed for June 5th and those who wish to participate will need to sign up. If needed Connie said we will set another Shred it day.

Music to My Ears

On June 24th we will have Johnny Mesa with a 60 person capacity. This event will be held in the amphitheater.

Fourth of July

There will be no planning for 4th of July this year.

Proposed Trips

Connie proposed a beach trip in August or September. It is possible to get a 30 passenger bus with a bathroom. She is also looking at race track trips and sports events which are all opening up.

Garth Brooks Concert

Connie mentioned the outdoor concert to be held in September . Attendees can park their golf carts and watch the concert. This is a free event. Connie also mentioned a preorder of a meal box for the concert.

Open discussion/ Comments:

Connie asked if certain members are willing to be enrolled in DocuSign training to help others. This will help with clubs and programs. The information will all be put into one database, and the link will be put on the website for accessibility.

The committee voted and approved changing meetings to the last Tuesday of each month at 10 am.

Meeting ended at 3:07
