

# Coachella Valley Water District CONSTRUCTION NOTICE

CVWD has started work on the North Indio Regional Flood Control Project

## Project benefits

- ◆ Protect homes and land in North Indio from regional flooding.
- ◆ Remove about 2,700 acres of land from the Federal Emergency Management Agency's mapped 100-year flood zone.
- ◆ Eliminate the mandatory flood insurance requirement in the area.

## Project overview

- ◆ Connect existing stormwater channels within Sun City Palm Desert to existing channels in Sun City Shadow Hills.
- ◆ New channels will move flood water away from homes and ultimately into the Coachella Valley Stormwater Channel.

## Impact to the community

- ◆ **Project timeline:** Winter 2022 through Summer 2024
- ◆ **Typical Work hours:** 7 a.m. to 3:30p.m. Monday to Friday. Work hours could change due to emergencies, weather or unexpected construction changes.
- ◆ CVWD will notify residents of any road closures or detours.

## Notices & alerts

- ◆ Find construction updates online at [cvwd.org/NorthIndio](https://cvwd.org/NorthIndio).
- ◆ Sign up for alerts via email or text at [cvwd.org/NorthIndio](https://cvwd.org/NorthIndio).
- ◆ Look for postcards, notices, letters or door hangers.
