

Welcome to The Tutta Bella Vino Club!

- If you enjoy learning about and tasting good wine, as well as meeting new people, we can assure you a fun evening at any or all of our monthly events!
- We will have exceptional presenters again this season. These presenters will represent respected wine distributors who access exceptional wines for Tutta Bella Vino from superior vineyards. Each presentation will guide us through some great evenings of wines from the world over.
- Members have the opportunity to purchase the featured wines each month at prices generally not available to the general public. The Shadows restaurant orders the wines and facilitates their pick-up by members from the restaurant. Orders are available for pick-up at Shadows the week following the wine club monthly event, generally on Thursdays.
- Monthly wine tasting events are \$25.00 per person, \$28.00 for non-resident guests. Reservation forms for each monthly wine tasting event are available on the SCSH website and near the Lifestyle desk at the Montecito Clubhouse. Reservation forms for the following month's wine tasting event are not made available until after the current month's event is held. Reservations and payment should be placed in the club's mailbox next to the library in the Montecito. The deadline for reservations is the Saturday before the event, or until sellout, whichever occurs first.
- Dues are \$15.00 per member each season. Our season runs September through June. Residents who are NOT past members may attend one regular monthly event before paying the membership fee. This does not include either the holiday or end of season parties. Membership forms are available on the Tutta Bella Vino page of the SCSH website at: <https://www.scszca.com/chartered-clubs/tutta-bella-vino/>. Checks should be made payable to "SCSH Tutta Bella Vino" and all returning members need to submit a membership form.
- The mailbox is closed between the deadline or sellout of each monthly tasting event, whichever occurs first. No additional reservations will be accepted after the deadline. Members who miss the deadline and wish to be placed on the waiting list can email the membership chair at tuttabellavino@gmail.com and they will be contacted if there is a cancellation. Seats are filled in the order in which the request was received. If you must cancel, please report this to the membership chair as early as possible so that a club member on the waitlist can attend—and your check will be destroyed. No call – no shows forfeit their reservation payment.
- If you are not contacted by Tutta Bella Vino after you file your registration form then YOU are registered for the event.
- Please check the monthly article or the registration form for special instructions each month, for example, bring your own favorite wine glasses to the event, etc.
- The club holds two "member only" parties per year, which this year will be a New Year's Party in January and a Spring Party in May, 2023. The club does not have events in July and August each year.
- Thank you for your interest in Tutta Bella Vino! We look forward to seeing you at one of our wine tastings!
