Build 2 New Pickleball Courts

- Minimum Cost - \$175,000

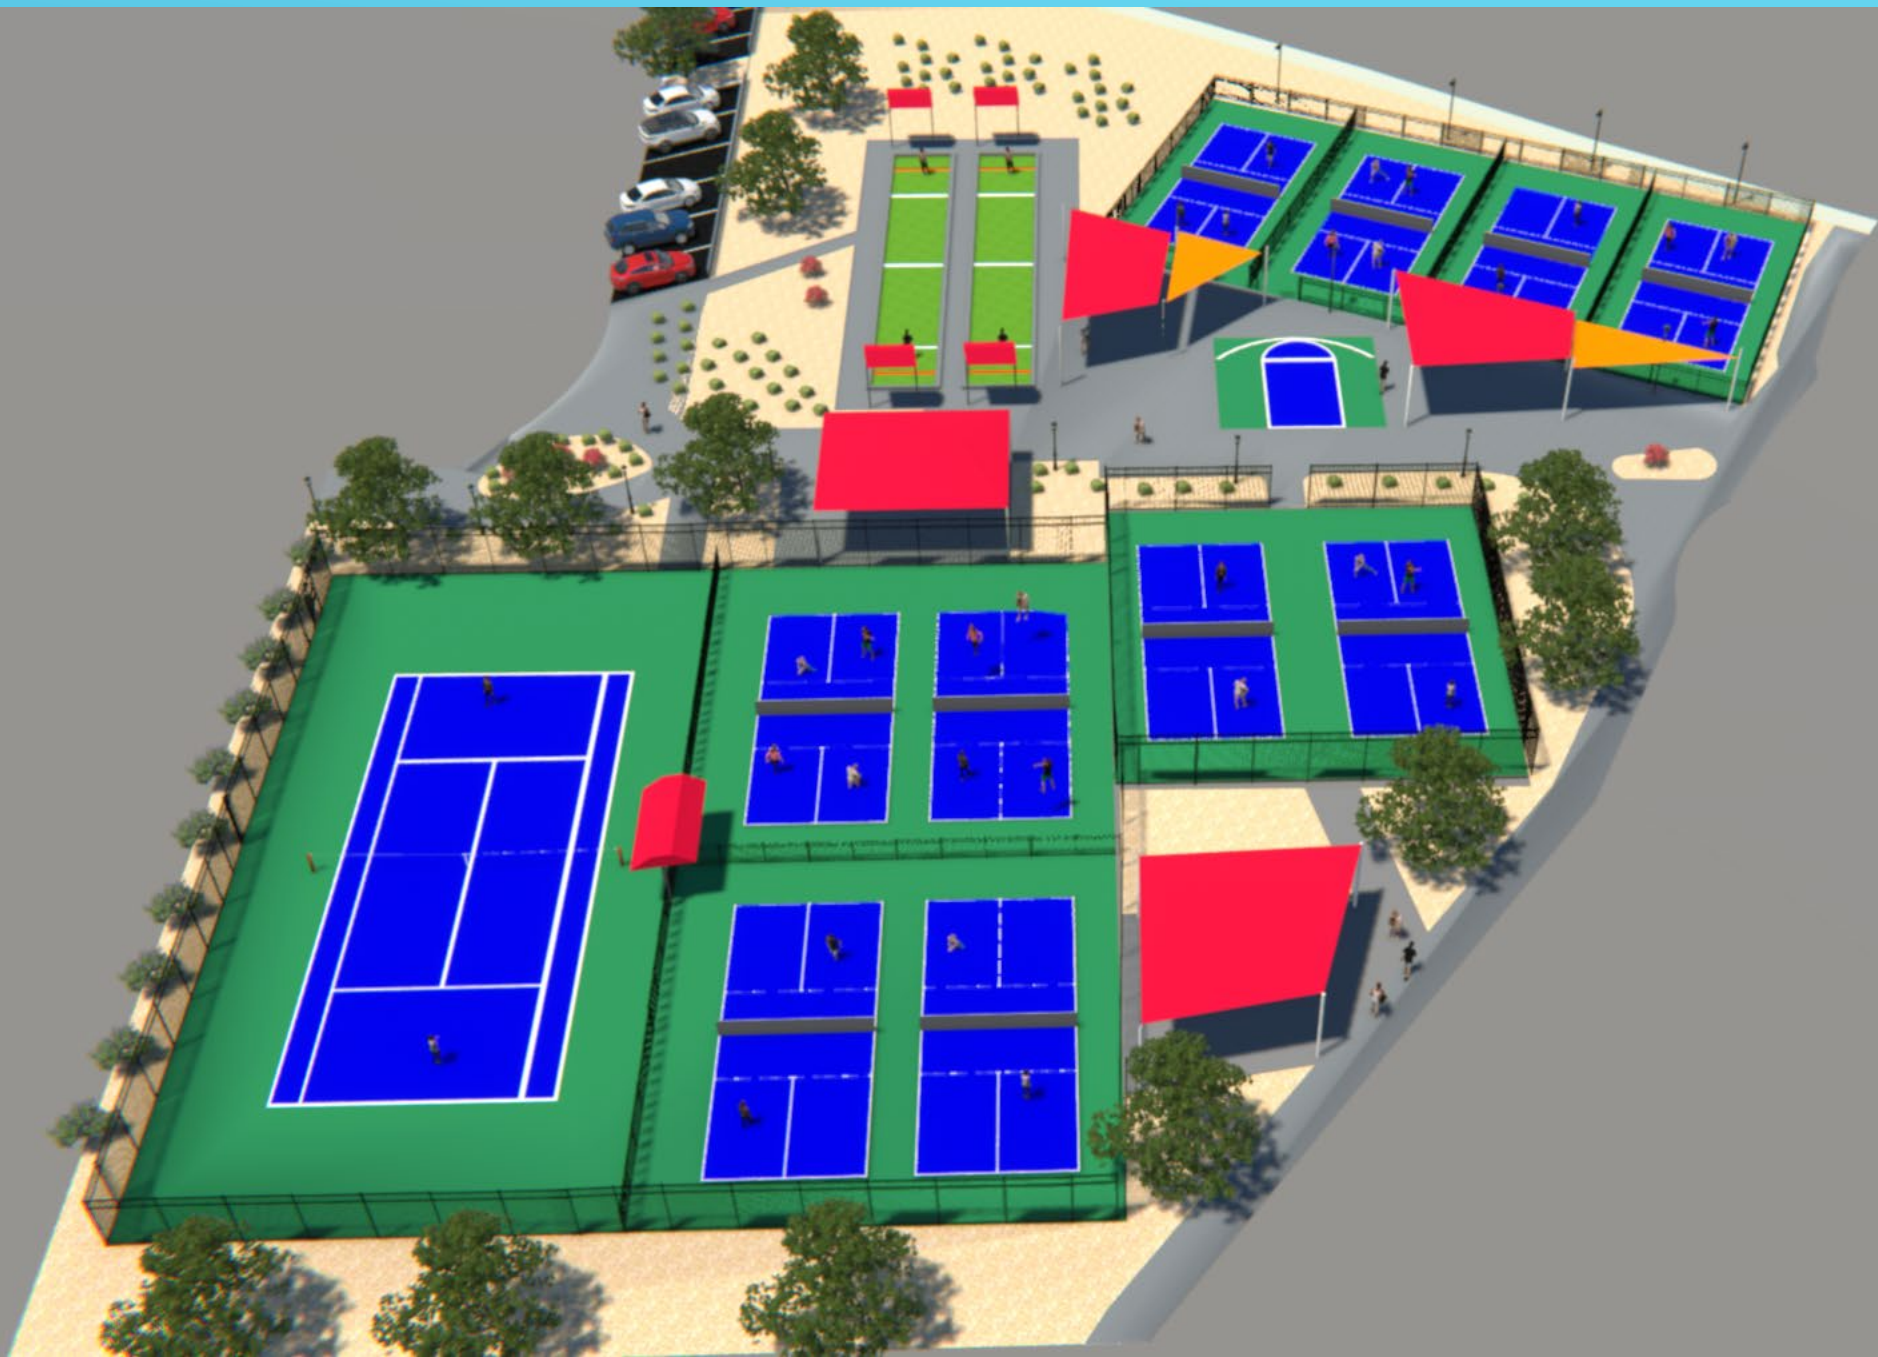

Add 4 Pickleball Courts, by taking over court 5

- Minimum Cost \$50,000
- Cost would be repainting court, plus cost of installing net posts in PT slab, and nets, Additional concrete area, gate entrance, and 4 ft. fence for back two pickleball courts

Add 2 Pickleball courts, by turning court 5 into mixed use court

- Minimum Cost \$2,500
- Cost would be to paint 2 PB courts at ends of Tennis court

1 - Build new covered patio area, including large sails, at Santa Rosa Sport Courts Complex

Approx. Cost - \$25,000

The FSAC feels this should be considered separately, as it is needed no matter what we do with the courts

2 - Build 4 New Pickleball Courts

Approx. Cost - \$375,000

3 - Build 2 New Pickleball Courts

Approx. Cost - \$175,000

4 - Add 4 Pickleball Courts by converting Tennis Court #5

Approx. Cost- \$25,000

Cost would include x-raying slab to stay away from cables in post tension slab in order to install net posts. Plus, repainting court, and installing nets.

5 - Add 2 Pickleball courts, by converting Tennis Court #5 into mixed use court

Approx. Cost - \$2,500

Cost would include painting 2 PB courts at ends of the tennis court, and the cost to purchase 2 portable nets.
