Hello residents of Sun City Shadow Hills. We have here today Paul, Jutta, and myself, Adam, to talk about our upcoming combined sale and a little bit about our clubs. Jutta is president of the Jewelry Club. Give us a greeting.

**Jutta Ruehl 00:27**

Hi.

**Adam Roberts 00:29**

Well, that was easy. Paul, how about you?

**Paul Priebe 00:32**

Hey, warm welcome to everybody that's listening.

**Adam Roberts 00:36**

All right. And I'm Adam and I am the president of Ceramics Club. By the way, Paul is a member of the Camera Club. We three want to give you a personal invitation to our upcoming sale called "The Creative Eye." The Creative Eye will be held this coming Saturday, January 14, in the Montecito ballroom. Starting time to view the exhibit sale will be 9:30am and will conclude around 3:00pm. Jutta, would you like to tell us about the Jewelry Club?

**Jutta Ruehl 01:11**

Yes, the Jewelry Club got founded in 2013. And we invite everybody who can thread a needle and come by and we'll teach them how to do jewelry, bracelets, necklace, earrings, gifts for their family, for themselves. And that's . . . we want to invite people to come to as well.

**Adam Roberts 01:37**

And when do you meet?

**Jutta Ruehl 01:38**

We meet every Wednesday from 1:00 to 3:30 at Montecito Clubhouse.

**Adam Roberts 01:44**

Okay. Great. Super. Thank you! Paul, what would you like us to know about the Camera Club?

**Paul Priebe 01:51**

Well, I might add a couple things about this exhibit and sale that we're going to have.

**Adam Roberts 01:57**

Okay?

**Paul Priebe 01:59**

We're having hourly raffles. The raffle tickets will be free, and you can pick them up at a desk as you enter the ballroom. And the winner will basically be able to purchase anything at a 20% discount.

**Adam Roberts 02:20**

Fantastic.

**Paul Priebe 02:22**

And then Camera Club is also going to have a silent auction on metal print that Annie Blackburn did. And bidding will start at \$5, and we will see how high it goes. The proceeds will benefit the Camera Club. And in the past, the Camera Club did this event. pre-COVID, and we had excellent, excellent attendance. And I will guarantee this year with three clubs involved, everybody that attends will be very glad that they did.

**Paul Priebe 03:02**

On the Camera Club, there will be a person at the raffle table that will have information about our club. And I just would note that we're a little more focused on education and taking pictures than maybe some other photography clubs around the country. Our main meeting is the first Wednesday of every month from 3:00pm to 5:00pm in the Santa Rosa Clubhouse. We also have workshops, we basically have field trips, and we have educational sessions on processing of photos, etc., etc. So, I think we have a very active group. And everybody would be welcome to stop by and see what we do.

**Adam Roberts 03:59**

Very good. So, both of your groups don't require people to be experts when they arrive.

**Jutta Ruehl 04:04**

No, not at all.

**Adam Roberts 04:05**

All right, good deal. Neither does Ceramics and Ceramics meets on Tuesdays and Friday mornings between 8:00am and noon. We are a very social group, friendly group, of folks who enjoy what we do and what we create. And so, I would invite any of you who are listening, if you'd like to check out the Ceramics Club, please come on a Tuesday or Friday morning.

**Adam Roberts 04:34**

Again, tomorrow, The Creative Eye. Saturday, the 14th of January from 9:30am to 3:00pm and we hope to see you all there and we're going to have a great time.

**Paul Priebe** 04:48

We will have a good time.

**Adam Roberts** 04:49

All right. Have a wonderful day!
