Good morning Shadow Hills, well it's Bob furring and we have been on summer hiatus for the most part. But the weather's cooling off. And there are lots of activities planned. And so I am going to introduce Connie King, our director of fun or formerly known as the lifestyles director, Connie, what's in store for us?

Connie King 00:29

Well, Bob, thank you very much for the introduction. And we just want to let the community know that we have a plethora of activities, we also have some information that is very, very important that we would like to share with the community and get your input. And with that being said, I'm going to go ahead and turn it over to Jerry Irwin, who is one of the members of the Lifestyle Advisory Committee. And we consider Jerry, our sports guru. So Jerry will be sharing some information. And I am going to go ahead and take it away. Jerry.

Jerry Irwin 01:15

Thank you candy. Thank you very much. I'd like everybody know that the first trip that we have planned is a hockey game, Thursday, December 21, to see the Calgary Flames play the Anaheim Ducks. It is of utmost importance that you're if you're interested in this game, to sign up as soon as possible because there is a time element involved. And if you have any family coming down from Canada and they want to attend the game, it's certainly a viable opportunity for them to go see the Flames play the Ducks. Later in the year, we will have another game in February for the Edmonton Oilers. But right now we're concentrating on the Calgary Flames game which is coming up pretty quickly. And we want to get the people to buy tickets. You can go on the Shadow Hills website, under lifestyles, the drop down for tickets, and you can buy your tickets there. Through Eventbrite. So that is our main focus.

Connie King 02:16

Jerry, do we have a flyer that residents can pick up in the lobby or go online?

Jerry Irwin 02:25

Yes, there is that here's the flyer. And it's available in both Shadow Hills and the Santa Rosa clubhouse of people to pick up just to remind them when the game is what time the bus leaves. And I will also for those who go have a hockey trivia quiz on the bus.

Connie King 02:44

And Jerry in the past, we've gone to other hockey games as well. And I understand that our residents really enjoy certain ones. So certain ones are more popular than others. Can you just share a little bit about?

Jerry Irwin 03:01

Well, yes, generally we go to see the Flames and the Oilers, because that's where most of our Canadian fans want to go. However, last year, we eliminated the Flames games. So if the flame fan want to go, and I want to see them next year again, let's make a good outing this year.

Connie King 03:17

Thank you. And then be prepared because I understand some of those trivia questions are a little bit tough. And you may just get a prize for those who win. So Jerry, thank you very much for sharing that information. We hope that you would sign up or least send us an email to connie.king@associa.us. Or you can use the lifestyle@scshca.com email address as well. And let us know if you are interested in attending the games. And just briefly Bob, if you will allow me I'm just going to go over a couple of other events that are really inviting and important. And we think that you may be interested in.
