### Connie King 00:01

Hi Sun City Shadow Hills. This is your lifestyle director, Connie King. And I'm here today because I want to let everyone know what's going to be going on Sunday for the concert that has been moved inside.

### Connie King 00:23

So, we're setting up the ballroom with 410 chairs, theater style. The doors are going to open around 6:30pm. Shadows will be available starting at 5:30pm with the food items. If you know where the amphitheater is, it's right under the clock tower between the fitness center and the Montecito Clubhouse. We're going to set up the food and a bar in that area. You've had the opportunity. If you would like to take advantage of the beautiful amphitheater and sit and enjoy your food. We will also have a bar in the kiosk area, again with chairs will be set up. You will also be able to access the patio, both patios, again for your dining experience. We will also have a bar in the lobby, we will use the existing tables and chairs. And we will have a sprinkle of some high-boys that you can utilize as well. The Cambria/Mirada room is going to be set up as our back up area. So our overflow area.

### Connie King 02:14

Now we will have all of the doors open until the performance at 7pm. Now we still may leave them open, just in case if you decide that you don't want to sit inside the ballroom, maybe you want to use the lobby area to do some dancing. The area that is on the left side of the ballroom when you're walking in where we normally have the curtains drawn, that area will be open. Again, it's another area that we created in case if you want to dance. We're making the aiseways a little bit wider for your dancing opportunities as well.

### Connie King 03:07

And we want to say thank you in advance. We are pivoting from an outdoor concert to an indoor concert due to our wind situation. We want all the residents who will be attending this event, staff entertainers as well. We want to provide a safe environment as best we can. So that's one of the reasons why we are moving it indoors.

### Connie King 03:44

So if you have any questions, I'll be in the office, Connie King, on Sunday. And you can feel free to leave me a message. You can send me an email to [connie.king@associa.us](mailto:connie.king@associa.us). The most important thing I do want to stress, because of our spacing and for us to try and provide adequate spacing to all of our residents, there will be no seat saving at this particular event. Everyone who is there at 6:30pm when the doors open, if we decide to open them earlier, we'll let you know. But right now that's our plan to

have the doors open at 6:30pm. It will be a first-come, first-serve basis. Again, let me reiterate. We have three bars. Shadows will be providing their menu of all the dogs that they will be serving. We will have the food set up in the amphitheater area, but you're more than welcome to use any of the indoor area or the patio area to sit down and enjoy your meal before the entertainment begins.

And again, we want to say thank you in advance for working with us and understanding. We were trying to do this so we would not have to cancel the event. Have a great day, and see you Sunday.
