President's Letter...

November

*Wow...*we have started our new club off with a with bang! Beginning with our fabulous Halloween gathering in October with some of our attendees dressed in 50's and 60's costumes! Watch for more fun events!

What a great time everyone had for our very special November gathering!

We are so thankful for our members/speakers Jerry and Jan Selinfreund! They shared with us a bit of background for their amazing group NCOA. Non Commissioned Officers Association. What an amazing commitment...it was a beautifully emotional and patriotic ceremony. Congratulations to our amazing Veteran recipients of the beautiful medallions Jan presented, as she thanked them for their service and our freedom. Thank you, Bud Butler, Bob Swain and Fred Elg for stepping up to serve our country and protect us all. What an honorable commitment. We will be forever grateful.

Actually, it was an oversight on my part during our gathering, but if you are a member of our GSSC and are also a veteran, thank you for your service and our freedom as well. Please contact me so that I may add you to our veterans list. Mia 760.685.4468
