Good morning, Sun City Shadow Hills homeowners. The nominating committee would like to give you information and dates for upcoming election events. We are very happy to announce that all five candidates have decided not to have campaign signs. We have had problems in the last three elections, and it has pitted neighbor against neighbor. We request the residents to respect their decision. The Campaign for 2024 HOA board of directors officially begins on January 23, 2024. HOA candidate forum question boxes have been out at the Montecito Fitness Center, Montecito Clubhouse, and the Santa Rosa Clubhouse since January 2 for you to give the nominating committee questions for our first forum on January 24, at 2pm in the Montecito ballroom. If you would like to email your questions, please send to [nominating@scshca.com](mailto:nominating@scshca.com) before January 19.

Unfortunately, due to time constraints, we may not be able to ask every question at the forum. However, we are excited to tell you that you will have other opportunities to ask additional questions of the candidates at our Meet the Candidates get-together. This is an informal meeting offered to our homeowners to allow you to ask questions of the candidates in a relaxed atmosphere. We are requesting that your questions be related to the selection and concerns you may have about our community or to obtain information about the opinion of a candidate regarding a particular topic.

### **Katy Linkjendal 01:47**

We will have two Meet the Candidates this year, Friday, February 2 at 10am in the back half of the ballroom and Wednesday, March 6 at 2pm in the Capistrano room. Please be respectful to our candidates during the Meet the Candidates meetings. We will not allow questions with a negative slant to a specific candidate. There will be a time limit for answering questions.

### **Geri Butler 02:17**

On Thursday February the first through February the seventh at 5pm. We will have question boxes at the fitness center and both clubhouses at the reception desk for our second forum on Tuesday, February the 13th at 5:30pm in the Montecito ballroom. We hope you will have questions for this forum as well. You may email questions to [nominating@scshca.com](mailto:nominating@scshca.com). Look for the candidates podcast after February the 27th. This is another way to get to know the candidates.

We are hopeful that we can have an election that we can all be proud of and stick to solutions and not criticism. We are confident that we can count on all of you to help our candidates be able to get their

message out to the community without backlash. Thank you for your time, your nominating committee, Carolyn Collins, Geri Butler, Katy Linkjendal, and Chris McShaffrey.
